REMEMBER, ART BUILDS BETTER BRAINS!

SUMMER FUN! ART CAMP

July 2 – August 9, 2013

Get ready to use your imagination and develop your creative spirit!

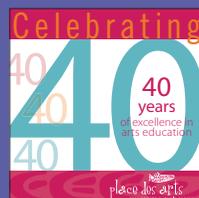

Summer Fun! offers everything you need: flexibility, choice, innovation, excellent instruction, after hours care and, of course, lots of summer fun!

This program is uniquely designed to allow you to fully customize your schedule and create a personalized summer program packed with your favourite arts activities.

Our 3-hour art intensives for 11-to-14-year-olds and our exciting 50-minute classes for 5-to-7 and 8-to-12-year-olds are developed with each age group in mind.

In 2013, Summer Fun! runs for six weeks from July 2 to August 9. Each day of classes begins at 8:45AM and ends at 3:35PM. After hours care is available until 5:00PM for a nominal \$7.00 fee.

The Summer Guide will be available on March 22; registration opens on April 28.

1972 - 2012

Celebrating 40 years of excellence in arts education.

CORAL REEF FANTASY

Learn about patterns, textures, tonal value, colour contrast and various weights of lines in visual composition. Study and practice simple contour and pattern drawing techniques. Using water-resistant oil pastels, watercolour paints and a 'mystery' drawing tool, create an under-the-sea composition of coral reef creatures.
Teacher: Stan Hunc

CREATIVE MOVEMENT: EXPLORING THE SEA

Go scuba diving into the world of creative movement! Create a dance with movements inspired from underwater creatures like fish, eels, sharks and whales. Work together as a group, use your imaginations and move your body!
Teacher: Kristen Pickell

DANCE BENEATH THE WAVES

Use your imagination and explore life under water to create your own underwater exploration dance. Work on your coordination, musicality and flexibility in this fun and imaginative movement class.
Teacher: Kristen Pickell

DRAMA: EXTRAORDINARY KIDS

Do you have lots of imagination and energy? Then come play and learn while exploring a variety of exciting underwater characters in this extraordinary class. Be prepared to laugh lots, have fun and meet some new friends along the way!
Teacher: Amy Feld

DRAMA: SOUNDS OF THE SEA

Dive into the exciting and vast world of sound and imagination! Reproduce the sounds of the sea with your bodies and voices. Explore the physicality and movements of the underwater world by working in teams to bring the sea and all its creatures to life.
Teacher: Amy Feld

DRAMA: UNDERWATER ACTORS

Open your eyes to the magic of underwater characters and explore and examine how they move and interact. With your classmates, develop and perform in an original underwater story. Make sure to bring your imagination!
Teacher: Amy Feld

DRAWING AND PAINTING: SHARKS AND DOLPHINS

Pick the creature you'd like to draw: scary shark or cute dolphin? Let's learn about these amazing creatures of the sea and create a picture of them using the new drawing and painting skills you'll learn in class.
Teacher: Olga Pirogova

GIANT PACIFIC YARN OCTOPUS

The world's largest octopus, the Giant Pacific Octopus, lives in the coastal waters of British Columbia. This highly intelligent creature can instantly change the colours and texture of its skin as camouflage. With yarn and a little imagination, create your own unique version of this fascinating creature.
Teacher: Catherine Dumaine

LET'S GO JELLYFISHING!

Have fun making a bright and colourful jellyfish that will brighten any room! Use lots of bright yarns to create a jellyfish that has no sting but plenty of zing.
Teacher: Rosie Kerschbaumer

MUSICAL THEATRE FUN

Come join in the fun of learning how to sing, dance and act. Learn basic technique and performance skills through exercises and games, and put together a short Musical Theatre routine based on the Under-the-Sea them.
Teacher: Shawna Parry

SAILING THE SEVEN SEAS OF RHYTHM

Using Taiko drums, hand drums and percussion instruments, travel the world of rhythm in our ship The Ol' Drum. Bring your sense of exploration and your musical compass as we explore new worlds with rhythm. Bring your own percussion instrument if you like. No experience necessary.
Teacher: Jason Overy

SEA BOTTOM BOTTLE LANTERNS

Papier mâché a bottle lantern with an ocean bottom scene using coloured tissue, die cuts and some of your own hand-cut creatures. Add some pipe cleaners and beads for carrying, and illuminate with an LED light.
Teacher: TBA

SEA CREATURES

Learn the basic principles of molding, shaping and sculpting and have lots of fun with clay making colourful sea creatures to take home with you! Please note that finished projects will not be fired or glazed.
Teacher: Elaine Hansen
