Inman Park Auction & Holiday Sale

Welcome

On behalf of Inman Park Cooperative Preschool, it is my pleasure to welcome you to the 26th Annual Holiday Sale & Auction. This evening promises to provide exciting opportunities to bid on wonderful auction items - from the “Eat, Drink & Be Merry” gift certificates to the extravagant getaway vacations...there’s something for everyone! Get ready to experience the thrill of friendly, but competitive, bidding for these treasures while supporting IPCP!

The success of this event is a result of the dedication and generosity of the current IPCP families and alumni, our donors, and the Atlanta community. I would like to extend a special “thank you” to all whose efforts made this event possible. The money raised tonight will be used to continue our nature-based educational programs, connecting children to the Earth’s rhythms and beauty and initiating lifelong, meaningful relationships with the natural world.

It truly takes a village, and all the villages beyond, to create an evening to remember!

Again, I thank you for your support and for joining us in celebration of IPCP’s 26th Annual Holiday Sale & Auction.

Warm Regards,
Denise Price, IPCP Director of Education

2010 

Thank You

Thank you for being a part of the 26th Annual Inman Park Auction & Holiday Sale benefiting Inman Park Cooperative Preschool (IPCP). From the first auction in 1984, which raised \$3,000 hard-earned dollars to the auction that we are hosting today, we continue to work as a community to raise money for our beloved preschool.

Your purchases today will provide financial resources that will be directed toward efforts to continue our well-rounded preschool curriculum and to support “Growing Up Green” initiatives for our IPCP family. With our award-winning Outdoor Classroom (the “OC”) and our blossoming “wee-OC,” IPCP is able to incorporate nature into the students’ daily curriculum. On any given day, you may see a 3-year-old exploring the OC for signs of squirrels and chipmunks creating winter habitats, a 4-year-old checking the garden and predicting the growth of the vegetables and fruits she has planted, or a 2-year-old spreading birdseed and observing as a flock of birds lands at his feet for a tasty feast.

IPCP, founded in 1981, is one of the oldest cooperative preschools in Georgia, and is still going strong. Not only have we have two campuses (Edgewood for children ages 3 to 5, and Waddell for children ages 1 and 2), we have phenomenal leadership in our director and curriculum specialist, and amazing teachers for our children. The leadership and educators of the school work hand-in-hand with the parents of our 91 IPCP families.

We look forward to many more years of bringing the community together and raising significant operating funds for IPCP so the children can continue their education through a play-based, nature-based curriculum.

We want to send our sincere thanks to all of our families, sponsors and businesses that have contributed to make this IPCP Auction & Holiday Sale the best ever. We are thankful to every one of you for your efforts.

We hope you and your family and friends will join us for this community tradition for many more years to come.

With sincere appreciation,
Annie and Josh D’Agostino, Interim Fundraising, Planning and Development Chair
