

Launching

of

Stony Brook Children's Celiac Disease & Gluten Sensitivity Center

The only center on Long Island specializing in the diagnosis and treatment of children with Celiac Disease and Gluten Sensitivities

Gluten free

Join us for our Launch at Stony Brook Children's Hospital

(Location: come through hospital's main lobby and we will be right outside the main cafeteria, near the main elevators)

Wednesday July 10th from 10 a.m. - 12 p.m.

Our center will have a table on display with information about us. The Gluten Intolerance Group will also be there.

In addition, The Diet Shop, Naturally Free Food, Strictly Gluten Free and Schär will have tables with gluten free samples and information about the gluten free diet.
