

Dear ASCE / ASLA Members and Friends,

It is golf tournament time again, and we want to start by saying thank you to those of you who helped make last years ASCE / ASLA Golf Tournament a great success. We believe this partnership of the American Society of Civil Engineers and the American Society of Landscape Architects is a natural partnership that has increased the benefits for all who participate, and provide an enjoyable opportunity for our members and friends to interact outside the office. The change in starting time initiated last year was a success and allowed attendees more time to complete their round and stay for dinner and socialize. As a result this will be a permanent change to the tournament.

ASCE-St. Louis and ASLA St. Louis Chapter are committed to educating the youth of the St. Louis community about the roles of engineers and landscape architects in our lives, and encourage students to pursue these professional careers. The golf tournaments help support these programs and this will not change. The following is a brief summary of the programs supported by this tournament for each chapter.

ASCE annually presents scholarships to members of the section student chapters at SIU-Edwardsville, SIU-Carbondale, University of Missouri - Columbia, and Missouri University of Science and Technology. Section members also participate in programs such as MATHCOUNTS, Zoom Into Engineering, Future Cities and Building Big as well as volunteering for classroom visits and career fairs.

ASLA supports the The Jerry Loomis Scholarship in Landscape Architecture, sponsored by the American Society of Landscape Architects St. Louis Chapter with a portion of the proceeds. Additional proceeds are used to support the chapter and advance the profession and educate youth to the opportunities presented within landscape architecture.

We want to thank you for your participation and support, and look forward to seeing you at Crystal Springs Quarry Golf Club on Friday September 9, 2011. A registration form with additional information regarding the tournament and involvement opportunities is attached. Space is limited so we encourage you to ensure your spot in the tournament now!

If you have any questions please give us a call.

Sincerely,

The 2011 Annual ASCE / ASLA Golf Tournament Organization Committee

Matt Harper, ASCE

Chris Moon, ASLA

Jay Wohlschlaeger, ASLA
