

# Downtown New Jersey

## Annual Conference

Thursday, May 16 2013

8:00 a.m.—1:30 p.m.

## Recovery, Revitalization, and Redevelopment Moving Forward in New Jersey's Downtowns

The past year has seen New Jersey downtowns dealing with an increasing number of managed districts in turmoil, downtowns exploring new approaches and alternatives to redevelopment, and Superstorm Sandy.

This compact conference will offer two panel discussions: one on resilient downtowns recovering from disaster and planning for future disasters; followed by one on "Post Redevelopment," other tools for downtown revitalization.

The setting for this year's conference is an epicenter for both topics: The Avenue, on the oceanfront in Long Branch.
