One of the best times in a child's life is summer time. Each summer, we strive to create the best one ever for our campers with an exciting line-up of fun! Count on making lots of new friends and exploring creative arts, science and more. Swimming, sports and weekly field trips to places such as museums, aquariums and amusement parks fill the Delphi Summer with additional adventure.

Academic Enrichment

Camp is a great place for children to sharpen skills, advance in existing studies or explore new interests. Young students will also take advantage of **our early reading program.** In fact, many of our new campers will learn to read for the very first time!
