[As Amended Through P.L. 110-246, Effective May 22, 2008]

[This Act is cited as follows: The Agricultural Adjustment Act (7 U.S.C. ____), re-enacted with amendments by the Agricultural Marketing Agreement Act of 1937].¹

AN ACT To relieve the existing national economic emergency by increasing agricultural purchasing power, to raise revenue for extraordinary expenses incurred by reason of such emergency, to provide emergency relief with respect to agricultural indebtedness, to provide for the orderly liquidation of joint-stock land banks, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—AGRICULTURAL ADJUSTMENT

DECLARATION

[7 U.S.C. 601] It is hereby declared that the disruption of the orderly exchange of commodities in interstate commerce impairs the purchasing power of farmers and destroys the value of agricultural assets which support the national credit structure and that these conditions affect transactions in agricultural commodities with a national public interest, and burden and obstruct the normal channels of interstate commerce.

DECLARATION OF POLICY

SEC. 2. [7 U.S.C. 602] It is hereby declared to be the policy of Congress—

(1) Through the exercise of the powers conferred upon the Secretary of Agriculture under this title, to establish and maintain such orderly marketing conditions for agricultural commodities in interstate commerce as will establish, as the prices to farmers, parity prices as defined by section 301(a)(1) of the Agricultural Adjustment Act of 1938.

(2) To protect the interest of the consumer by (a) approaching the level of prices which it is declared to be the policy of Congress to establish in subsection (1) of this section by gradual correction of the current level at as rapid a rate as the Secretary of Agriculture deems to be in the public interest and feasible in view of the current consumptive demand in domestic and foreign markets, and (b) authorizing no action under this title which has for its purpose the maintenance of prices to farmers above the level which it is declared to be the policy of Congress to establish in subsection (1) of this section.

(3) Through the exercise of the powers conferred upon the Secretary of Agriculture under this title, to establish and maintain such production research, marketing research, and development projects provided in section 8c(6)(I), such container and pack re-

¹The unique manner of citing the Agricultural Adjustment Act arose out of a Supreme Court decision in the 1930's that declared the Act unconstitutional as an impermissible control on the production of agricultural commodities. The Congress responded in the Agricultural Marketing Agreement Act of 1937 (50 Stat. 246) by validating certain sections of the earlier Act (1, 2, 8(a), 8b, 8c, 8d, 8e, 10, 12, 14, and 22) that were intended to operate irrespective of the validity of any other provision. The first section of the Agricultural Marketing Agreement Act of 1937 reacted these sections without change, but then amended several of the sections in section 2.

quirements provided in section 8c(6)(H)²⁻¹ such minimum standards of quality and maturity and such grading and inspection requirements for agricultural commodities enumerated in section 8c(2), other than milk and its products, in interstate commerce as will effectuate such orderly marketing of such agricultural commodities as will be in the public interest.

(4) Through the exercise of the powers conferred upon the Secretary of Agriculture under this title, to establish and maintain such orderly marketing conditions for any agricultural commodity enumerated in section 8c(2) as will provide, in the interests of producers and consumers, an orderly flow of the supply thereof to market throughout its normal marketing season to avoid unreasonable fluctuations in supplies and prices.

(5) Through the exercise of the power conferred upon the Secretary of Agriculture under this title, to continue for the remainder of any marketing season or marketing year, such regulation pursuant to any order as will tend to avoid a disruption of the orderly marketing of any commodity and be in the public interest, if the regulation of such commodity under such order has been initiated during such marketing season or marketing year on the basis of its need to effectuate the policy of this title.

PART 1—COTTON OPTION CONTRACTS

SEC. 3. [7 U.S.C. 603] The Federal Farm Board³⁻¹ and all departments and other agencies of the Government, not including the Federal intermediate credit banks, are hereby directed—

(a) To sell to the Secretary of Agriculture at such price as may be agreed upon, not in excess of the market price, all cotton now owned by them.

(b) To take such action and to make such settlements as are necessary in order to acquire full legal title to all cotton on which money has been loaned or advanced by any department or agency of the United States, including futures contracts for cotton or which is held as collateral for loans or advances and to make final settlement of such loans and advances as follows:

(1) In making such settlements with regard to cotton, including operations to which such cotton is related, such cotton shall be taken over by all such departments or agencies other than the Secretary of Agriculture at a price or sum equal to the amounts directly or indirectly loaned or advanced thereon and outstanding, including loans by the Government department or agency and any loans senior thereto, plus any sums required to adjust advances to growers to 90 per centum of the value of their cotton at the date of its delivery in the first instance as collateral to the department or agency involved, such sums to be computed by subtracting the total amount already advanced to growers on account of pools of which such cotton was a part, from 90 per centum of the value of the cotton to be taken over as of the time of such delivery as collateral, plus unpaid accrued carrying charges and operating costs on such cotton, less, however, any existing assets of the borrower derived from net income, earnings, or profits arising from such cotton, and from operations to which such cotton is related; all as determined by the department or agency making the settlement.

²⁻¹ In paragraph (3), a comma should appear after “section 8c(6)(H)”.

³⁻¹ Executive Order No. 6084 changed the name of the “Federal Farm Board” to “Farm Credit Administration”.

(2) The Secretary of Agriculture shall make settlements with respect to cotton held as collateral for loans or advances made by him on such terms as in his judgment may be deemed advisable, and to carry out the provisions of this section, is authorized to indemnify or furnish bonds to warehousemen for lost warehouse receipts and to pay the premiums on such bonds.

When full legal title to the cotton referred to in (b) has been acquired, it shall be sold to the Secretary of Agriculture for the purposes of this section, in the same manner as provided in (a).

(c) The Secretary of Agriculture is hereby authorized to purchase the cotton specified in paragraphs (a) and (b).

SEC. 4. [7 U.S.C. 604] (a) The Secretary of Agriculture shall have authority to borrow money upon all cotton in his possession or control and may, at his discretion, deposit as collateral for such loans the warehouse receipts for such cotton.

(b) The Secretary of the Treasury is authorized to advance, in his discretion, out of any money in the Treasury not otherwise appropriated, the sum of \$100,000,000, to the Secretary of Agriculture, for paying off any debt or debts which may have been or may be incurred by the Secretary of Agriculture and discharging any lien or liens which may have arisen or may arise pursuant to part 1 of this title, for protecting title to any cotton which may have been or may be acquired by the Secretary of Agriculture under authority of part 1 of this title, and for paying any expenses (including, but not limited to, warehouse charges, insurance, salaries, interest, costs, and commissions) incident to carrying, handling, insuring, and marketing of said cotton and for the purposes described in subsection (e) of this section. This sum shall be available until the cotton acquired by the Secretary of Agriculture under authority of Title 1 of this Act, including cotton futures, shall have been finally marketed by any agency which may have been or may be established by the Secretary of Agriculture for the handling, carrying, insuring, or marketing of any cotton acquired by the Secretary of Agriculture.

(c) The funds authorized by subsection (b) of this section shall be made available to the Secretary of Agriculture from time to time upon his request and with the approval of the Secretary of the Treasury. Each such request shall be accompanied by a statement showing by weight and average grade and staple the quantity of cotton held by the Secretary of Agriculture and the approximate aggregate market value thereof.

(d) It is the purpose of subsections (b) and (c) to provide an alternative method to that provided by subsection (a), for enabling the Secretary of Agriculture to finance the acquisition, carrying, handling, insuring, and marketing of cotton acquired by him under authority of section 3 of this Act. The Secretary of Agriculture may at his discretion make use of either or both of the methods provided in this section for obtaining funds for the purposes herein-above enumerated.

(e) The Secretary of Agriculture is authorized to use in his discretion any funds obtained by him pursuant to the provisions of subsection (a) or (b) of this section or of section 5 for making advances to any agency which may have been or may be established by the Secretary of Agriculture for the handling, carrying, insuring, or marketing of any cotton acquired by the Secretary of Agriculture, to enable any such agency to perform, exercise, and discharge any

of the duties, privileges, and functions which such agency may be authorized to perform, exercise, or discharge.

(f) The proceeds derived from the sale of cotton shall be held for the Secretary of Agriculture by the Treasurer of the United States in a special deposit account and shall be used by the Secretary of Agriculture to discharge the obligations incurred under authority of part 1 of this title. Whenever any cotton shall be marketed the net proceeds (after discharge of other obligations incurred with respect thereto) derived from the sale thereof shall be used, to the extent required, to reimburse the Treasury for such portion of the funds hereby provided for as shall have been used, which shall be covered into the Treasury as a miscellaneous receipt. If when all of the cotton acquired by the Secretary of Agriculture shall have been marketed and all of the obligations incurred with respect to such cotton shall have been discharged, and the Treasury reimbursed for any and all sums which may have been advanced pursuant to subsection (b), there shall remain any balance in the hands of the Secretary of Agriculture, such balance shall be covered into the Treasury as miscellaneous receipts.

The word "obligation" when used in this section shall include (without being limited to) administrative expenses, warehouse charges, insurance, salaries, interest, costs, commissions, and other expenses incident to handling, carrying, insuring, and marketing of said cotton.

SEC. 5. [Repealed.]

SEC. 6. [Repealed.]

SEC. 7. [7 U.S.C. 607] The Secretary shall sell cotton held or acquired by him pursuant to authority of this Act at his discretion subject only to the conditions and limitations of Title 1 of this Act: *Provided*, That the Secretary shall have authority to enter into option contracts with producers of cotton to sell to or for the producers such cotton held and/or acquired by him in such amounts and at such prices and upon such terms and conditions as he, the Secretary, may deem advisable, and such option contracts may be transferred or assigned in such manner as the Secretary of Agriculture may prescribe.

Notwithstanding any provisions contained in option contracts heretofore issued and/or any provision of law, assignments made prior to January 11, 1934, of option contracts exercised prior to January 18, 1934, shall be deemed valid upon determination by the Secretary that such assignment was an assignment in good faith of the full interest in such contract and for full value and is free from evidence of fraud or speculation by the assignee.

Notwithstanding any provision of existing law, the Secretary of Agriculture may, in the administration of the Agricultural Adjustment Act, make public such information as he deems necessary in order to effectuate the purposes of such Act.

PART 2—COMMODITY BENEFITS

GENERAL POWERS

SEC. 8. [7 U.S.C. 608] (1) Whenever the Secretary of Agriculture has reason to believe that:

(a) The current average farm price for any basic agricultural commodity is less than the fair exchange value thereof,

or the average farm price of such commodity is likely to be less than the fair exchange value thereof for the period in which the production of such commodity during the current or next succeeding marketing year is normally marketed, and

(b) The conditions of and factors relating to the production, marketing, and consumption of such commodity are such that the exercise of any one or more of the powers conferred upon the Secretary under subsections (2) and (3) of this section would tend to effectuate the declared policy of this title,

he shall cause an immediate investigation to be made to determine such facts. If, upon the basis of such investigation, the Secretary finds the existence of such facts, he shall proclaim such determination and shall exercise such one or more of the powers conferred upon him under subsections (2) and (3) of this section as he finds, upon the basis of an investigation, administratively practicable and best calculated to effectuate the declared policy of this title.

(2) Subject to the provisions of subsection (1) of this section, the Secretary of Agriculture shall provide, through agreements with producers or by other voluntary methods.

(a) For such adjustment in the acreage or in the production for market, or both, of any basic agricultural commodity, as he finds, upon the basis of the investigation made pursuant to subsection (1) of this section, will tend to effectuate the declared policy of this title, and to make such adjustment program practicable to operate and administer, and

(b) For rental or benefit payments in connection with such agreements or methods in such amounts as he finds, upon the basis of such investigation, to be fair and reasonable and best calculated to effectuate the declared policy to this title and to make such program practicable to operate and administer, to be paid out of any moneys available for such payments or, subject to the consent of the producer, to be made in quantities of one or more basic agricultural commodities acquired by the Secretary pursuant to this title.

(3) Subject to the provisions of subsection (1) of this section, the Secretary of Agriculture shall make payments, out of any moneys available for such payments, in such amounts as he finds, upon the basis of the investigation made pursuant to subsection (1) of this section, to be fair and reasonable and best calculated to effectuate the declared policy of this title:

(a) To remove from the normal channels of trade and commerce quantities of any basic agricultural commodity or product thereof;

(b) To expand domestic or foreign markets for any basic agricultural commodity or product thereof;

(c) In connection with the production of that part of any basic agricultural commodity which is required for domestic consumption.

(4) Whenever, during a period during which any of the powers conferred in subsection (2) or (3) is being exercised, the Secretary of Agriculture has reason to believe that, with respect to any basic agricultural commodity:

(a) The current average farm price for such commodity is not less than the fair exchange value thereof, and the average farm price for such commodity is not likely to be less than the fair exchange value thereof for the period in which the produc-

tion of such commodity during the current or next succeeding marketing year is normally marketed, or

(b) The conditions of and factors relating to the production, marketing, and consumption of such commodity are such that none of the powers conferred in subsections (2) and (3), and no combination of such powers, would, if exercised, tend to effectuate the declared policy of this title,

he shall cause an immediate investigation to be made to determine such facts. If, upon the basis of such investigation, the Secretary finds the existence of such facts, he shall proclaim such determination, and shall not exercise any of such powers with respect to such commodity after the end of the marketing year current at the time when such proclamation is made and prior to a new proclamation under subsection (1) of this section, except insofar as the exercise of such power is necessary to carry out obligations of the Secretary assumed, prior to the date of such proclamation made pursuant to this subsection, in connection with the exercise of any of the powers conferred upon him under subsections (2) or (3) of this section.

(5) In the course of any investigation required to be made under subsection (1) or subsection (4) of this section, the Secretary of Agriculture shall hold one or more hearings, and give due notice and opportunity for interested parties to be heard.

(6) No payment under this title made in an agricultural commodity acquired by the Secretary in pursuant of this title shall be made in a commodity other than that in respect of which the payment is being made. For the purposes of this subsection, hogs and field corn may be considered as one commodity.

(7) In the case of sugar beets or sugarcane, in the event that it shall be established to the satisfaction of the Secretary of Agriculture that returns to growers or producers, under the contracts for the 1933-1934 crop of sugar beets or sugarcane, entered into by and between the processors and producers and/or growers thereof, were reduced by reason of the payment of the processing tax, and/or the corresponding floor stocks tax, on sugar beets or sugarcane, in addition to the foregoing rental or benefit payments, the Secretary of Agriculture shall make such payments, representing in whole or in part such tax, as the Secretary deems fair and reasonable, to producers who agree, or have agreed, to participate in the program for reduction in the acreage or reduction in the production for market, or both, of sugar beets or sugarcane.

(8) In the case of rice, the Secretary of Agriculture, in exercising the power conferred upon him by subsection (2) of this section to provide for rental or benefit payments, is directed to provide in any agreement entered into by him with any rice producer pursuant to such subsection, upon such terms and conditions as the Secretary determines will best effectuate the declared policy of this title, that the producer may pledge for production credit in whole or in part his right to any rental or benefit payments under the terms of such agreement and that such producer may designate therein a payee to receive such rental or benefit payments.

(9) Under regulations of the Secretary of Agriculture requiring adequate facilities for the storage of any nonperishable agricultural commodity on the farm, inspection and measurement of any such commodity so stored, and the locking and sealing thereof, and such other regulations as may be prescribed by the Secretary of Agriculture for the protection of such commodity and for the marketing

thereof, a reasonable percentage of any benefit payment may be advanced on any such commodity so stored. In any such case, such deduction may be made from the amount of the benefit payment as the Secretary of Agriculture determines will reasonably compensate for the cost of inspection and sealing but no deduction may be made for interest.

SEC. 8a. [7 U.S.C. 608a] (1) Having due regard to the welfare of domestic producers and to the protection of domestic consumers and to a just relation between the prices received by domestic producers and the prices paid by domestic consumers, the Secretary of Agriculture may, in order to effectuate the declared policy of this Act, from time to time, by orders or regulations—

(A)(i) Forbid processors, persons engaged in the handling of sugar, and others from importing sugar into continental United States for consumption, or which shall be consumed, therein, and/or from transporting to, receiving in, processing or marketing in, continental United States, and/or from processing in any area to which the provisions of this title with respect to sugar beets and sugarcane may be made applicable, for consumption in continental United States, sugar from the Virgin Islands, the Philippine Islands, the Canal Zone, American Samoa, the island of Guam, and from foreign countries, including Cuba, respectively, in excess of quotas fixed by the Secretary of Agriculture, for any calendar year, based on average quantities therefrom brought into or imported into continental United States for consumption, or which was actually consumed, therein, during such three years, respectively, in the years 1925–1933, inclusive, as the Secretary of Agriculture may, from time to time, determine to be the most representative respective three years, adjusted, together with the quotas established pursuant to paragraph (ii), (in such manner as the Secretary shall determine) to the remainder of the total estimated consumption requirements of sugar for continental United States, determined pursuant to subsection (2) of this section, after deducting therefrom the quotas for continental United States, provided for by paragraph (B) of this subsection: *Provided, however,* That in such quotas there may be included, in the case of the Virgin Islands, the Philippine Islands, the Canal Zone, American Samoa, and the island of Guam, direct-consumption sugar up to an amount not exceeding the respective quantities of direct-consumption sugar therefrom brought into or imported into continental United States for consumption, or which was actually consumed, therein during the year 1931, 1932, or 1933, whichever is greater, and in the case of Cuba, direct-consumption sugar up to an amount not exceeding 22 per centum of the quota established for Cuba: *And provided further,* That any imported sugar, with respect to which a drawback of duty is allowed, under the provisions of section 313 of the Tariff Act of 1930, shall not be charged against the quota established by the Secretary of Agriculture hereunder for the country from which such sugar was imported, and the Secretary of Agriculture may, by orders or regulations, readjust any quota subject to the provisions of this section, except quotas fixed by paragraph (B) of this subsection; and may allot (or appoint an officer, including the Governor General of the Philippine Islands for that area, in his name to allot) any quota, and readjust any such allotment, from time to time, among the

processors persons engaged in the handling of sugar and others; and/or

(ii) Forbid processors, persons engaged in the handling of sugar, and others from transporting to, receiving in, processing or marketing in, continental United States, and/or from processing in the Territory of Hawaii or Puerto Rico for consumption in continental United States, sugar from the Territory of Hawaii or Puerto Rico, in excess of quotas fixed by the Secretary of Agriculture, for any calendar year, based on average quantities therefrom brought into continental United States for consumption, or which was actually consumed, therein during such three years, respectively, in the years 1925-1933, inclusive, as the Secretary of Agriculture may, from time to time, determine to be the most representative respective three years, adjusted, together with the quotas established pursuant to paragraph (i), (in such manner as the Secretary shall determine) to the remainder of the total estimated consumption requirements of sugar for continental United States, determined pursuant to subsection (2) of this section, after deducting therefrom the quotas for continental United States, provided for by paragraph (B) of this subsection: *Provided, however,* That in such quotas there may be included direct-consumption sugar up to an amount not exceeding the respective quantities of direct-consumption sugar therefrom brought into continental United States for consumption, or which was actually consumed, therein during the year 1931, 1932, or 1933, whichever is greater, and the Secretary of Agriculture may, by orders or regulations, allot such quotas and readjust any such allotment, from time to time, among the processors, persons engaged in the handling of sugar, and others; and/or

(B) Forbid processors, persons engaged in the handling of sugar, and others from marketing in, or in the current of, or so as directly to burden, obstruct, or affect, interstate or foreign commerce, sugar manufactured from sugar beets and/or sugarcane, produced in the continental United States beet-sugar-producing area, the States of Louisiana and Florida, and any other State or States in excess of the following quotas, for any calendar year, except as provided for in subsections (2) of this section: United States beet-sugar area, one million five hundred and fifty thousand short tons raw value; the States of Louisiana and Florida, except as may be provided under paragraph (C) of this subsection, two hundred and sixty thousand short tons raw value; and the Secretary of Agriculture may, by orders or regulations, allot such quotas and readjust any such allotment, from time to time, among the processors, persons engaged in the handling of sugar, and others; and/or

(C) For any calendar year, determine the quota, but not less than the quota provided in paragraph (B), for any area producing less than two hundred and fifty thousand long tons of sugar raw value during the next preceding calendar year; and/or

(D) Establish a separate quota or quotas for edible molasses and/or sirup or cane juice produced in continental United States, in addition to, and/or for edible molasses, sirups, and sugar mixtures produced in any other area or areas to which this title relates, as part of or in addition to, the quotas established pursuant to paragraphs (A) to (C), inclusive, of this subsection, for use as such and not for the extraction of sugar.

(2)(A) The consumption requirements of sugar for continental United States, for the calendar year 1934, and for each succeeding

calendar year, shall be determined by the Secretary of Agriculture from available statistics of the Department of Agriculture. The consumption requirements so determined shall, at such intervals as the Secretary finds necessary to effectuate the declared policy and the purposes of this Act, be adjusted by him to meet the actual requirements of the consumer as determined by the Secretary.

(B) In the event that available statistics of the Department of Agriculture during the course of any calendar year indicate that the consumption requirements of sugar for continental United States for such calendar year will exceed the amount of the consumption requirements determined for that year, the Secretary of Agriculture may prorate such estimated excess amount on the basis of the respective quotas determined by and pursuant to subsection (1) of this section: *Provided, however,* That for each calendar year there shall be allotted to continental United States not less than 30 per centum of any amount of consumption requirements therefore above six million four hundred and fifty-two thousand short tons raw value.

(C) In the event that available statistics of the Department of Agriculture during the course of any calendar year indicate that the consumption requirements of sugar for continental United States for such year will be less than the amount of the consumption requirements determined for that year, the amount of such deficiency may be proportionately deducted from the respective quotas determined by and pursuant to paragraph (A) of subsection (1) of this section.

(D) If, during any calendar year, any producing area is unable to produce and deliver its full quota of sugar, the Secretary of Agriculture may prorate this deficiency among the other areas on the basis of their respective quotas and ability to supply the deficiency.

(E) Notwithstanding the provisions of paragraphs (A) to (C), inclusive, of subsection (1) of this section, the Secretary of Agriculture may, in order to effectuate the declared policy of this Act, from time to time, by orders or regulations, deduct from the quotas for production, importing, receiving, and/or marketing, and/or from the allotments thereof, established pursuant to said paragraphs, in any given year, an amount for each year, respectively, representing the surplus stocks of sugar produced in that area, or a portion of the total surplus stocks of sugar produced in that area, in whole or in part, which may have accumulated in the year next preceding, over and above the quotas established for such year.

(3) In order more fully to effectuate the declared policy of this Act, as set forth in its declaration of policy, and to insure the equitable division between producers and/or growers and/or the processors of sugar beets or sugarcane of any of the proceeds which may be derived from the growing, processing and/or marketing of such sugar beets or sugarcane, and the processing and/or marketing of the products and byproducts thereof, all agreements authorized by this Act relating to sugar beets, sugarcane, or the products thereof may contain provisions which will limit or regulate child labor, and will fix minimum wages for workers or growers employed by the producers and/or processors of sugar beets and/or sugarcane who are parties to such agreements; and the Secretary, upon the request of any producer, or grower, or worker, or of any association of producers, or growers, or workers, or of any processor, of sugar beets or sugarcane, is hereby authorized to adjudicate any dispute as to

any of the terms under which sugar beets or sugarcane are grown or are to be grown and/or marketed, and the sugar and byproducts thereof are to be marketed. The decision and any determination of the Secretary shall be final.

(4) Any person willfully violating any order or regulation of the Secretary of Agriculture issued under this section shall, upon conviction, be punished by a fine of not more than \$100.

(5) Any person exceeding any quota or allotment fixed for him under this title by the Secretary of Agriculture and any other person knowingly participating or aiding in the exceeding of such quota or allotment shall forfeit to the United States a sum equal to the value of such excess at the current market price for such commodity at the time of violation, which forfeiture shall be recoverable in a civil suit brought in the name of the United States.

(6) The several district courts of the United States are hereby vested with jurisdiction specifically to enforce, and to prevent and restrain any person from violating any order, regulation, or agreement, heretofore or hereafter made or issued pursuant to this title, in any proceeding now pending or hereafter brought in said courts.

(7) Upon the request of the Secretary of Agriculture, it shall be the duty of the several district attorneys of the United States, in their respective districts, under the directions of the Attorney General, to institute proceedings to enforce the remedies and to collect the forfeitures provided for in, or pursuant to, this title. Whenever the Secretary, or such officer or employee of the Department of Agriculture as he may designate for the purpose, has reason to believe that any handler has violated, or is violating, the provisions of any order or amendment thereto issued pursuant to this title, the Secretary shall have power to institute an investigation and, after due notice to such handler, to conduct a hearing in order to determine the facts for the purpose of referring the matter to the Attorney General for appropriate action.

(8) The remedies provided for in this section shall be in addition to, and not exclusive of, any of the remedies or penalties provided for elsewhere in this title or now or hereafter existing at law or in equity.

(9) The term "person" as used in this title includes an individual, partnership, corporation, association, and any other business unit.

SEC. 8b. [7 U.S.C. 608b] (a) In order to effectuate the declared policy of this title, the Secretary of Agriculture shall have the power, after due notice and opportunity for hearing, to enter into marketing agreements with processors, producers, associations of producers, and others engaged in the handling of any agricultural commodity or product thereof, only with respect to such handling as is in the current of interstate or foreign commerce or which directly burdens, obstructs, or affects, interstate or foreign commerce in such commodity or product thereof. The making of any such agreement shall not be held to be in violation of any of the antitrust laws of the United States, and any such agreement shall be deemed to be lawful: *Provided*, That no such agreement shall remain in force after the termination of this Act.

(b)(1) If an agreement with the Secretary is in effect with respect to peanuts pursuant to this section—

(A) all peanuts handled by persons who have not entered into such an agreement with the Secretary shall be subject to inspection to the same extent and manner as is required by such agreement;

(B) no such peanuts shall be sold or otherwise disposed of for human consumption if such peanuts fail to meet the quality requirements of such agreement; and

(C) any assessment (except with respect to any assessment for the indemnification of losses on rejected peanuts) imposed under the agreement shall—

(i) apply to peanut handlers (as defined by the Secretary) who have not entered into such an agreement with the Secretary in addition to those handlers who have entered into the agreement; and

(ii) be paid to the Secretary.

(2) Violation of this subsection by a person who has not entered into such an agreement shall result in the assessment by the Secretary of a penalty equal to 140 percent of the support price for quota peanuts multiplied by the quantity of peanuts sold or disposed of in violation of subsection (b)(1)(B), as determined under section 108B of the Agricultural Act of 1949 (7 U.S.C. 1445c-3),^{8b-1} for the marketing year for the crop with respect to which such violation occurs.

ORDERS

SEC. 8c. [7 U.S.C. 608c] (1) The Secretary of Agriculture shall, subject to the provisions of this section, issue, and from time to time amend, orders applicable to processors, associations of producers, and others engaged in the handling of any agricultural commodity or product thereof specified in subsection (2) of this section. Such persons are referred to in this title as “handlers”. Such orders shall regulate, in the manner hereinafter in this section provided, only such handling of such agricultural commodity, or product thereof, as is in the current of interstate or foreign commerce, or which directly burdens, obstructs, or affects, interstate or foreign commerce in such commodity or product thereof. In carrying out this section, the Secretary shall complete all informal rulemaking actions necessary to respond to recommendations submitted by administrative committees for such orders as expeditiously as possible, but not more than 45 days (to the extent practicable) after submission of the committee recommendations. The Secretary is authorized to implement a producer allotment program and a handler withholding program under the cranberry marketing order in the same crop year through informal rulemaking based on a recommendation and supporting economic analysis submitted by the Cranberry Marketing Committee. Such recommendation and analysis shall be submitted by the Committee no later than March 1 of each year. The Secretary shall establish time frames for each office and agency within the Department of Agriculture to consider the committee recommendations.

COMMODITIES TO WHICH APPLICABLE

(2) Orders issued pursuant to this section shall be applicable only to (A) the following agricultural commodities and the products

^{8b-1} Paragraph (2) refers to “section 108B of the Agricultural Act of 1949 (7 U.S.C. 1445c-3)”, which was repealed by section 171(b) of Public Law 104-127 (110 Stat. 938).

No order issued pursuant to this section shall be effective as to cherries, apples, or cranberries for canning or freezing unless the Secretary of Agriculture determines, in addition to other required findings and determinations, that the issuance of such order is approved or favored by processors who, during a representative period determined by the Secretary, have engaged in canning or freezing such commodity for market and have frozen or canned more than 50 per centum of the total volume of the commodity to be regulated which was canned or frozen within the production area, or marketed within the marketing area, defined in such order, during such representative period. No order issued pursuant to this section shall be applicable to peanuts produced in more than one of the following production areas: the Virginia-Carolina production area, the Southeast production area, and the Southwest production area. If the Secretary determines that the declared policy of the title will be better achieved thereby (i) the commodities of the same general class and used wholly or in part for the same purposes may be combined and treated as a single commodity and (ii) the portion of an agricultural commodity devoted to or marketed for a par-

ticular use or combination of uses, may be treated as a separate agricultural commodity. All agricultural commodities and products covered hereby shall be deemed specified herein for the purposes of section 8c (6) and (7) of this title.

NOTICE AND HEARING

(3) Whenever the Secretary of Agriculture has reason to believe that the issuance of an order will tend to effectuate the declared policy of this title with respect to any commodity or product thereof specified in subsection (2) of this section, he shall give due notice of and an opportunity for a hearing upon a proposed order.

(4) After such notice and opportunity for hearing, the Secretary of Agriculture shall issue an order if he finds, and sets forth in such order, upon the evidence introduced at such hearing (in addition to such other findings as may be specifically required by this section) that the issuance of such order and all of the terms and conditions thereof will tend to effectuate the declared policy of this title with respect to such commodity.

TERMS—MILK AND ITS PRODUCTS

(5)^{8c-2} In the case of milk and its products, orders issued pursuant to this section shall contain one or more of the following terms and conditions, and (except as provided in subsection (7) of this section no others:

(A) Classifying milk in accordance with the form in which or the purpose for which it is used, and fixing, or providing a method for fixing, minimum prices for each such use classification which all handlers shall pay, and the time when payments shall be made, for milk purchased from producers or associations of producers. Such prices shall be uniform as to all handlers, subject only to adjustments for (1) volume, market, and production differentials customarily applied by the handlers subject to such order, (2) the grade or quality of the milk purchased, and (3) the locations at which delivery of such milk, or any use classification thereof, is made to such handlers. Throughout the 2-year period beginning on the effective date of this sentence (and subsequent to such 2-year period unless modified by amendment to the order involved), the minimum aggregate amount of the adjustments, under clauses (1) and (2) of the preceding sentence, to prices for milk of the highest use classification under orders that are in effect under this section on the date of the enactment of the Food Security Act of 1985 shall be as follows:

Effective at the beginning of such two-year period, the minimum prices for milk of the highest use classification shall be adjusted for the locations at which delivery of such milk is made to such handlers.

(B) Providing:

(i) for the payment to all producers and associations of producers delivering milk to the same handler of uniform prices for all milk delivered by them: *Provided*, That, except in the case of orders covering milk products only, such provision is approved or favored by at least three-fourths of the producers who, during a representative period determined by the Secretary of Agriculture, have been engaged in the production for market of milk covered in such order or by producers who, during such representative period, have produced at least three-fourths of the volume of such milk produced for market during such period; the approval required hereunder shall be separate and apart from any other approval or disapproval provided for by this section; or

(ii) for the payment to all producers and associations of producers delivering milk to all handlers of uniform prices for all milk so delivered, irrespective of the uses made of such milk by the individual handler to whom it is delivered;

subject, in either case, only to adjustments for (a) volume, market, and production differentials customarily applied by the handlers subject to such order, (b) the grade or quality of the milk delivered, (c) the locations at which delivery of such milk is made,^{8c-3} (d) a

further adjustment to encourage seasonal adjustments in the production of milk through equitable apportionment of the total value of the milk purchased by any handler, or by all handlers, among producers on the basis of their marketings of milk during a representative period of time, which need not be limited to one year; (e) a provision providing for the accumulation and disbursement of a fund to encourage seasonal adjustments in the production of milk may be included in an order; and (f) a further adjustment, equitably to apportion the total value of milk purchased by all handlers among producers on the basis of their marketings of milk, which may be adjusted to reflect the utilization of producer milk by all handlers in any use classification or classifications, during a representative period of one to three years, which will be automatically updated each year. In the event a producer holding a base allocated under this clause (f) shall reduce his marketings, such reduction shall not adversely affect his history of production and marketing for the determination of future bases, or future updating of bases, except that an order may provide that, if a producer reduces his marketings below his base allocation in any one or more use classifications designated in the order, the amount of any such reduction shall be taken into account in determining future bases, or future updating of bases. Bases allocated to producers under this clause (f) may be transferable under an order on such terms and conditions, including those which will prevent bases taking on an unreasonable value, as are prescribed in the order by the Secretary of Agriculture. Provisions shall be made in the order for the allocation of bases under this clause (f)—

(i) for the alleviation of hardship and inequity among producers; and

(ii) for providing bases for dairy farmers not delivering milk as producers under the order upon becoming producers under the order who did not produce milk during any part of the representative period and these new producers shall within ninety days after the first regular delivery of milk at the price for the lowest use classification specified in such order be allocated a base which the Secretary determines proper after considering supply and demand conditions, the development of orderly and efficient marketing conditions and to the respective interests of producers under the order, all other dairy farmers and the consuming public. Producer bases so allocated shall for a period of not more than three years be reduced by not more than 20 per centum; and

(iii) dairy farmers not delivering milk as producers under the order upon becoming producers under the order by reason of a plant to which they are making deliveries becoming a pool plant under the order, by amendment or otherwise, shall be provided bases with respect to milk delivered under the order

milk purchased by any handler, or by all handlers, among producers on the basis of their marketings of milk during a representative period of time, which need not be limited to one year, (e) a provision providing for the accumulation and disbursement of a fund to encourage seasonal adjustments in the production of milk may be included in an order, and (f) a further adjustment, equitably to apportion the total value of milk purchased by any handler or by all handlers among producers on the basis of the milk components contained in their marketings of milk.” Section 101(b) of the Agriculture and Food Act of 1981 (Public Law 97-98; 95 Stat. 1219) provided that “The provisions of subsection (a) shall become effective January 1, 1982, and shall terminate December 31, 1985.” The termination date has been extended several times, see 16 U.S.C. 608c note, most recently by section 1105(b) of Public Law 103-66 (107 Stat. 317), which extended the termination date to December 31, 1996.

based on their past deliveries of milk on the same basis as other producers under the order; and

(iv) such order may include such additional provisions as the Secretary deems appropriate in regard to the reentry of producers who have previously discontinued their dairy farm enterprise or transferred bases authorized under this clause (f); and

(v) notwithstanding any other provision of this Act, dairy farmers not delivering milk as producers under the order, upon becoming producers under the order, shall within ninety days be provided with respect to milk delivered under the order, allocations based on their past deliveries of milk during the representative period from the production facilities from which they are delivering milk under the order on the same basis as producers under the order on the effective date of order provisions authorized under this clause (f): *Provided*, That bases shall be allocated only to a producer marketing milk from the production facilities from which he marketed milk during the representative period, except that in no event shall such allocation of base exceed the amount of milk actually delivered under such order.

The assignment of other source milk to various use classes shall be made without regard to whether an order contains provisions authorized under this clause (f). In the case of any producer who during any accounting period delivers a portion of his milk to persons not fully regulated by the order, provision shall be made for reducing the allocation of, or payment to be received by, any such producer under this clause (f) to compensate for any marketings of milk to such other persons for such period or periods as necessary to insure equitable participation in marketings among all producers. Notwithstanding the provisions of section 8c(12) and the last sentence of section 8c(19) of this Act, order provisions under this clause (f) shall not be effective in any marketing order unless separately approved by producers in a referendum in which each individual producer shall have one vote and may be terminated separately whenever the Secretary makes a determination with respect to such provisions as is provided for the termination of an order in subparagraph 8c(16)(B). Disapproval or termination of such order provisions shall not be considered disapproval of the order or of other terms of the order.

(C) In order to accomplish the purposes set forth in paragraphs (A) and (B) of this subsection (5), providing a method for making adjustments in payments, as among handlers (including producers who are also handlers), to the end that the total sums paid by each handler shall equal the value of the milk purchased by him at the prices fixed in accordance with paragraph (A) hereof.

(D) Providing that, in the case of all milk purchased by handlers from any producer who did not regularly sell milk during a period of 30 days next preceding the effective date of such order for consumption in the area covered thereby, payments to such producer, for the period beginning with the first regular delivery by such producer and continuing until the end of two full calendar months following the first day of the next succeeding calendar month, shall be made at the price for the lowest use classification specified in such order, subject to the adjustments specified in paragraph (B) of this subsection (5).

(E) Providing (i) except as to producers for whom such services are being rendered by a cooperative marketing association, qualified as provided in paragraph (F) of this subsection (5), for market information to producers and for the verification of weights, sampling, and testing the milk purchased from producers, and for making appropriate deductions therefor from payments to producers, and (ii) for assurance of, and security for, the payment by handlers for milk purchased.

(F) Nothing contained in this subsection (5) is intended or shall be construed to prevent a cooperative marketing association qualified under the provisions of the Act of Congress of February 18, 1922, as amended, known as the "Capper-Volstead Act", engaged in making collective sales or marketing of milk or its products for the producers thereof, from blending the net proceeds of all of its sales in all markets in all use classifications, and making distribution thereof to its producers in accordance with the contract between the association and its producers: *Provided*, That it shall not sell milk or its products to any handler for use or consumption in any market at prices less than the prices fixed pursuant to paragraph (A) of this subsection (5) for such milk.

(G) No marketing agreement or order applicable to milk and its products in any marketing area shall prohibit or in any manner limit, in the case of the products of milk, the marketing in that area of any milk or product thereof produced in any production area in the United States.

(H) Omitted; see United States Code for notes. ^{8c-4}

(I) Establishing or providing for the establishment of research and development projects, and advertising (excluding brand advertising), sales promotion, educational, and other programs, designed to improve or promote the domestic marketing and consumption of milk and its products, to be financed by producers in a manner and at a rate specified in the order, on all producer milk under the order. Producer contributions under this subparagraph may be deducted from funds due producers in computing total pool value or otherwise computing total funds due producers and such deductions shall be in addition to the adjustments authorized by subparagraph (B) of subsection 8c(5). Provision may be made in the order to exempt, or allow suitable adjustments or credits in connection with, milk on which a mandatory checkoff for advertising or marketing research is required under the authority of any State law. Such funds shall be paid to an agency organized by milk producers and producers' cooperative associations in such form and with such methods of operation as shall be specified in the order. Such agency may expend such funds for any of the purposes authorized by this subparagraph and may designate, employ, and allocate funds to persons and organizations engaged in such programs which meet the standards and qualifications specified in the order. All funds collected under this subparagraph shall be separately accounted for and shall be used only for the purposes for which they were collected. Programs authorized by this subparagraph may be either local or national in scope, or both, as provided in the order, but shall not be international. Order provisions under this subparagraph shall not become effective in any marketing order unless such provisions are approved by producers separately from other

^{8c-4} Paragraph (H) is no longer effective pursuant to section 103 of the Food and Agriculture Act of 1965 (Public Law 89-321; 79 Stat. 1188; 16 U.S.C. 608c note).

order provisions, in the same manner provided for the approval of marketing orders, and may be terminated separately whenever the Secretary makes a determination with respect to such provisions as is provided for the termination of an order in subsection 8c(16)(B). Disapproval or termination of such order provisions shall not be considered disapproval of the order or of other terms of the order. Notwithstanding any other provision of this Act, as amended, any producer against whose marketing any assessment is withheld or collected under the authority of this subparagraph, and who is not in favor of supporting the research and promotion programs, as provided for herein, shall have the right to demand and receive a refund of such assessment pursuant to the terms and conditions specified in the order.

(J) Providing for the payment, from the total sums payable by all handlers for milk (irrespective of the use classification of such milk) and before computing uniform prices under paragraph (A) and making adjustments in payments under paragraph (C), to handlers that are cooperative marketing associations described in paragraph (F) and to handlers with respect to which adjustments in payments are made under paragraph (C), for services of marketwide benefit, including but not limited to—

(i) providing facilities to furnish additional supplies of milk needed by handlers and to handle and dispose of milk supplies in excess of quantities needed by handlers;

(ii) handling on specific days quantities of milk that exceed the quantities needed by handlers; and

(iii) transporting milk from one location to another for the purpose of fulfilling requirements for milk of a higher use classification or for providing a market outlet for milk of any use classification.

(K)(i) Notwithstanding any other provision of law, milk produced by dairies—

(I) owned or controlled by foreign persons; and

(II) financed by or with the use of bonds the interest on which is exempt from Federal income tax under section 103 of the Internal Revenue Code of 1986;

shall be treated as other-source milk, and shall be allocated as milk received from producer-handlers for the purposes of classifying producer milk, under the milk marketing program established under this Act. For the purposes of this subparagraph, the term “foreign person” has the meaning given such term under section 9(3) of the Agricultural Foreign Investment Disclosure Act of 1978 (7 U.S.C. 3508(3)).

(ii) The Secretary of Agriculture shall prescribe regulations to carry out this subparagraph.

(iii) This subparagraph shall not apply with respect to any dairy that began operation before May 6, 1986.

(L) Providing that adjustments in payments by handlers under paragraph (A) need not be the same as adjustments to producers under paragraph (B) with regard to adjustments authorized by subparagraphs (2) and (3) of paragraph (A) and clauses (b), (c), and (d) of paragraph (B)(ii).

(M) MINIMUM MILK PRICES FOR HANDLERS.—^{8c-5}

^{8c-5} Subparagraphs (M) through (O) added by section 2(a) of the Milk Regulatory Equity Act of 2005 (Public Law 109-215; 120 Stat. 328). Subsections (c) and (d) of section 2 of that Act provided:

(ii) COVERED MILK HANDLERS.—Except as provided in clause (iv), clause (i) applies to a handler of Class I milk products (including a producer-handler or producer operating as a handler) that—

(I) operates a plant that is located within the boundaries of a Federal order milk marketing area (as those boundaries are in effect as of the date of the enactment of this subparagraph);

(II) has packaged fluid milk product route dispositions, or sales of packaged fluid milk products to other plants, in a milk marketing area located in a State that requires handlers to pay minimum prices for raw milk purchases; and

(iii) OBLIGATION TO PAY MINIMUM CLASS PRICES.—For purposes of clause (ii)(III), the Secretary may not consider a handler of Class I milk products to be obligated by a Federal milk marketing order to pay minimum class prices for raw milk unless the handler operates the plant as a fully regulated fluid milk distributing plant under a Federal milk marketing order.

(iv) CERTAIN HANDLERS EXEMPTED.—Clause (i) does not apply to—

(I) a handler (otherwise described in clause (ii)) that operates a nonpool plant (as defined in section 1000.8(e) of title 7, Code of Federal Regulations, as in effect on the date of the enactment of this subparagraph);

(II) a producer-handler (otherwise described in clause (ii)) for any month during which the producer-handler has route dispositions, and sales to other plants, of packaged

“(c) RECORDS AND FACILITY REQUIREMENTS.—Notwithstanding any other provision of this section, or the amendments made by this section, a milk handler (including a producer-handler or a producer operating as a handler) that is subject to regulation under this section or an amendment made by this section shall comply with the requirements of section 1000.27 of title 7, Code of Federal Regulations, or a successor regulation, relating to handler responsibility for records or facilities.

“(d) EFFECTIVE DATE AND IMPLEMENTATION.—The amendments made by this section take effect on the first day of the first month beginning more than 15 days after the date of the enactment of this Act. To accomplish the expedited implementation of these amendments, effective on the date of the enactment of this Act, the Secretary of Agriculture shall include in the pool distributing plant provisions of each Federal milk marketing order issued under subparagraph (B) of section 8c(5) of the Agriculture [sic, probably should be “Agricultural”] Adjustment Act (7 U.S.C. 608c(5)), reenacted with amendments by the Agriculture [sic, probably should be “Agricultural”] Marketing Agreement Act of 1937, a provision that a handler described in subparagraph (M) of such section, as added by subsection (a) of this section, will be fully regulated by the order in which the handler’s distributing plant is located. These amendments shall not be subject to a referendum under section 8c(19) of such Act (7 U.S.C. 608c(19)).”

fluid milk products equaling less than 3,000,000 pounds of milk; or

(III) a handler (otherwise described in clause (ii)) for any month during which—

(aa) less than 25 percent of the total quantity of fluid milk products physically received at the plant of the handler (excluding concentrated milk received from another plant by agreement for other than Class I use) is disposed of as route disposition or is transferred in the form of packaged fluid milk products to other plants; or

(bb) less than 25 percent in aggregate of the route disposition or transfers are in a marketing area or areas located in one or more States that require handlers to pay minimum prices for raw milk purchases.

(N) EXEMPTION FOR CERTAIN MILK HANDLERS.—Notwithstanding any other provision of this section, no handler with distribution of Class I milk products in the marketing area described in Order No. 131 shall be exempt during any month from any minimum price requirement established by the Secretary under this subsection if the total distribution of Class I products during the preceding month of any such handler's own farm production exceeds 3,000,000 pounds.

(O) RULE OF CONSTRUCTION REGARDING PRODUCER-HANDLERS.—Subparagraphs (M) and (N) shall not be construed as affecting, expanding, or contracting the treatment of producer-handlers under this subsection except as provided in such subparagraphs.

TERMS—OTHER COMMODITIES

(6) In the case of the agricultural commodities and the products thereof, other than milk and its products, specified in subsection (2) orders issued pursuant to this section shall contain one or more of the following terms and conditions, and (except as provided in subsection (7)), no others:

(A) Limiting, or providing methods for the limitation of, the total quantity of any such commodity or product, or of any grade, size, or quality thereof, produced during any specified period or periods, which may be marketed in or transported to any or all markets in the current of interstate or foreign commerce or so as directly to burden, obstruct, or affect interstate or foreign commerce in such commodity or product thereof, during any specified period or periods by all handlers thereof.

(B) Allotting, or providing methods for allotting, the amount of such commodity or product, or any grade, size, or quality thereof, which each handler may purchase from or handle on behalf of any and all producers thereof, during any specified period or periods, under a uniform rule based upon the amounts sold by such producers in such prior period as the Secretary determines to be representative, or upon the current quantities available for sale by such producers, or both, to the end that the total quantity thereof to be purchased, or handled during any specified period or periods shall be apportioned equitably among producers.

(C) Allotting, or providing methods for allotting, the amount of any such commodity or product, or any grade, size, or quality thereof, which each handler may market in or transport to any or all

markets in the current of interstate or foreign commerce or so as directly to burden, obstruct, or affect interstate or foreign commerce in such commodity or product thereof, under a uniform rule based upon the amounts which each such handler has available for current shipment, or upon the amounts shipped by each such handler in such prior period as the Secretary determines to be representative, or both, to the end that the total quantity of such commodity or product, or any grade, size, or quality thereof, to be marketed in or transported to any or all markets in the current of interstate or foreign commerce or so as directly to burden, obstruct, or affect interstate or foreign commerce in such commodity or product thereof, during any specified period or periods shall be equitably apportioned among all of the handlers thereof.

(D) Determining, or providing methods for determining, the existence and extent of the surplus of any such commodity or product, or of any grade, size, or quality thereof, and providing for the control and disposition of such surplus, and for equalizing the burden of such surplus elimination or control among the producers and handlers thereof.

(E) Establishing or providing for the establishment of reserve pools of any such commodity or product, or of any grade, size, or quality thereof, and providing for the equitable distribution of the net return derived from the sale thereof among the persons beneficially interested therein.

(F) Requiring or providing for the requirement of inspection of any such commodity or product produced during specified periods and marketed by handlers.

(G) In the case of hops and their products, in addition to, or in lieu of, the foregoing terms and conditions, orders may contain one or more of the following:

(i) Limiting, or providing methods for the limitation of, the total quantity thereof, or of any grade, type, or variety thereof, produced during any specified period or periods, which all handlers may handle in the current of or so as directly to burden, obstruct, or affect interstate or foreign commerce in hops or any product thereof.

(ii) Apportioning, or providing methods for apportioning, the total quantity of hops of the production of the then current calendar year permitted to be handled equitably among all producers in the production area to which the order applies upon the basis of one or more or a combination of the following: The total quantity of hops available or estimated will become available for market by each producer from his production during such period; the normal production of the acreage of hops operated by each producer during such period upon the basis of the number of acres of hops in production, and the average yield of that acreage during such period as the Secretary determines to be representative, with adjustments determined by the Secretary to be proper for age of plantings or abnormal conditions affecting yield; such normal production or historical record of any acreage for which data as to yield of hops are not available or which had no yield during such period shall be determined by the Secretary on the basis of the yields of other acreage of hops of similar characteristics as to productivity, subject to adjustment as just provided for.

(iii) Allotting, or providing methods for allotting, the quantity of hops which any handler may handle so that the allotment fixed for that handler shall be limited to the quantity of hops apportioned

under preceding section (ii) to each respective producer of hops; such allotment shall constitute an allotment fixed for that handler within the meaning of subsection (5) of section 8a of this title (U.S.C. 1940 edition, title 7, sec. 608a).

(H) providing a method for fixing the size, capacity, weight, dimensions, or pack of the container, or containers, which may be used in the packaging, transportation, sale, shipment, or handling of any fresh or dried fruits, vegetables, or tree nuts: *Provided, however,* That no action taken hereunder shall conflict with the Standard Containers Act of 1916 (15 U.S.C. 251-256) and the Standard Containers Act of 1928 (15 U.S.C. 257-257i);

(B) No order issued under this title shall be applicable to any producer in his capacity as a producer.

VIOLATION OF ORDER

(14) Any handler subject to an order issued under this section, or any officer, director, agent, or employee of such handler, who violates any provision of such order (other than a provision calling for payment of a pro rata share of expenses) shall, on conviction, be fined not less than \$50 or more than \$5,000 for each such violation, and each day during which such violation continues shall be deemed a separate violation: *Provided*, That if the court finds that a petition pursuant to subsection (15) of this section was filed and prosecuted by the defendant in good faith and not for delay, no penalty shall be imposed under this subsection for such violations as occurred between the date upon which the defendant's petition was filed with the Secretary, and the date upon which notice of the Secretary's ruling thereon was given to the defendant in accordance with regulations prescribed pursuant to subsection (15).

PETITION BY HANDLER AND REVIEW

(B) The District Courts of the United States (including the Supreme Court of the District of Columbia) in any district in which such handler is an inhabitant, or has his principal place of business, are hereby vested with jurisdiction in equity to review such ruling, provided a bill in equity for that purpose is filed within twenty days from the date of the entry of such ruling. Service of process in such proceedings may be had upon the Secretary by delivery to him a copy of the bill of complaint. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the Secretary with directions either (1) to make such ruling as the court shall determine to be in accordance with law, or (2) to take such further proceedings as, in its opinion, the law

requires. The pendency of proceedings instituted pursuant to this subsection (15) shall not impede, hinder, or delay the United States or the Secretary of Agriculture from obtaining relief pursuant to section 8a (6) of this title. Any proceedings brought pursuant to section 8a (6) of this title (except where brought by way of counterclaim in proceedings instituted pursuant to this subsection (15)) shall abate whenever a final decree has been rendered in proceedings between the same parties, and covering the same subject matter, instituted pursuant to this subsection (15).

TERMINATION OF ORDERS AND MARKETING AGREEMENTS

(16)(A)(i) Except as provided in clause (ii), the Secretary of Agriculture shall, whenever he finds that any order issued under this section, or any provision thereof, obstructs or does not tend to effectuate the declared policy of this title, terminate or suspend the operation of such order or such provision thereof.

(ii) The Secretary may not terminate any order issued under this section for a commodity for which there is no Federal program established to support the price of such commodity unless the Secretary gives notice of, and a statement of the reasons relied upon by the Secretary for, the proposed termination of such order to the Committee on Agriculture, Nutrition, and Forestry of the Senate and the Committee on Agriculture of the House of Representatives not later than 60 days before the date such order will be terminated.

(B) The Secretary shall terminate any marketing agreement entered into under section 8b, or order issued under this section, at the end of the then current marketing period for such commodity, specified in such marketing agreement or order, whenever he finds that such termination is favored by a majority of the producers who, during a representative period determined by the Secretary, have been engaged in the production for market of the commodity specified in such marketing agreement or order, within the production area specified in such marketing agreement or order, or who, during such representative period, have been engaged in the production of such commodity for sale within the marketing area specified in such marketing agreement or order: *Provided*, That such majority have, during such representative period, produced for market more than 50 per centum of the volume of such commodity produced for market within the production area specified in such marketing agreement or order, or have, during such representative period, produced more than 50 per centum of the volume of such commodity sold in the marketing area specified in such marketing agreement or order, but such termination shall be effective only if announced on or before such date (prior to the end of the then current marketing period) as may be specified in such marketing agreement or order.

(C) Except as otherwise provided in this subsection with respect to the termination of an order issued under this section, the termination or suspension of any order or amendment thereto or provision thereof, shall not be considered an order within the meaning of this section.

(17) PROVISIONS APPLICABLE TO AMENDMENTS.—

(A) APPLICABILITY TO AMENDMENTS.—The provisions of this section and section 8d applicable to orders shall be applicable to amendments to orders.

(B) SUPPLEMENTAL RULES OF PRACTICE.—

(i) IN GENERAL.—Not later than 60 days after the date of enactment of this subparagraph, the Secretary shall issue, using informal rulemaking, supplemental rules of practice to define guidelines and timeframes for the rulemaking process relating to amendments to orders.

(ii) ISSUES.—At a minimum, the supplemental rules of practice shall establish—

(I) proposal submission requirements;

(II) pre-hearing information session specifications;

(III) written testimony and data request requirements;

(IV) public participation timeframes; and

(V) electronic document submission standards.

(iii) EFFECTIVE DATE.—The supplemental rules of practice shall take effect not later than 120 days after the date of enactment of this subparagraph, as determined by the Secretary.

(C) HEARING TIMEFRAMES.—

(i) IN GENERAL.—Not more than 30 days after the receipt of a proposal for an amendment hearing regarding a milk marketing order, the Secretary shall—

(I) issue a notice providing an action plan and expected timeframes for completion of the hearing not more than 120 days after the date of the issuance of the notice;

(II)(aa) issue a request for additional information to be used by the Secretary in making a determination regarding the proposal; and

(bb) if the additional information is not provided to the Secretary within the timeframe requested by the Secretary, issue a denial of the request; or

(III) issue a denial of the request.

(ii) REQUIREMENT.—A post-hearing brief may be filed under this paragraph not later than 60 days after the date of an amendment hearing regarding a milk marketing order.

(iii) RECOMMENDED DECISIONS.—A recommended decision on a proposed amendment to an order shall be issued not later than 90 days after the deadline for the submission of post-hearing briefs.

(iv) FINAL DECISIONS.—A final decision on a proposed amendment to an order shall be issued not later than 60 days after the deadline for submission of comments and exceptions to the recommended decision issued under clause (iii).

(D) INDUSTRY ASSESSMENTS.—If the Secretary determines it is necessary to improve or expedite rulemaking under this subsection, the Secretary may impose an assessment on the affected industry to supplement appropriated funds for the procurement of service providers, such as court reporters.

(E) USE OF INFORMAL RULEMAKING.—The Secretary may use rulemaking under section 553 of title 5, United States Code, to amend orders, other than provisions of orders that directly affect milk prices.

(F) AVOIDING DUPLICATION.—The Secretary shall not be required to hold a hearing on any amendment proposed to be made to a milk marketing order in response to an application for a hearing on the proposed amendment if—

(i) the application requesting the hearing is received by the Secretary not later than 90 days after the date on which the Secretary has announced the decision on a previously proposed amendment to that order; and

(ii) the 2 proposed amendments are essentially the same, as determined by the Secretary.

(G) MONTHLY FEED AND FUEL COSTS FOR MAKE ALLOWANCES.—As part of any hearing to adjust make allowances under marketing orders commencing prior to September 30, 2012, the Secretary shall—

(i) determine the average monthly prices of feed and fuel incurred by dairy producers in the relevant marketing area;

(ii) consider the most recent monthly feed and fuel price data available; and

(iii) consider those prices in determining whether or not to adjust make allowances.

MILK PRICES

(18) The Secretary of Agriculture, prior to prescribing any term in any marketing agreement or order, or amendment thereto, relating to milk or its products, if such term is to fix minimum prices to be paid to producers or associations of producers, or prior to modifying the price fixed in any such term, shall ascertain the parity prices of such commodities. The prices which it is declared to be the policy of Congress to establish in section 2 of this title shall, for the purposes of such agreement, order, or amendment, be adjusted to reflect the price of feeds, the available supplies of feeds, and other economic conditions which affect market supply and demand for milk or its products in the marketing area to which the contemplated marketing agreement, order, or amendment relates. Whenever the Secretary finds, upon the basis of the evidence adduced at the hearing required by section 8b or 8c, as the case may be, that the parity prices of such commodities are not reasonable in view of the price of feeds, the available supplies of feeds, and other economic conditions which affect market supply and demand for milk and its products in the marketing area to which the contemplated agreement, order, or amendment relates, he shall fix such prices as he finds will reflect such factors, insure a sufficient quantity of pure and wholesome milk,^{8c-8} and be in the public interest. Thereafter, as the Secretary finds necessary on account of

^{8c-8}In subsection (18), the phrase “to meet current needs and further to assure a level of farm income adequate to maintain productive capacity sufficient to meet anticipated future needs” was added by subsection (a) of section 101 of the Agriculture and Food Act of 1981 (Public Law 97-98; 95 Stat. 1218). Subsection (b) of such section provided that “The provisions of subsection (a) shall become effective January 1, 1982, and shall terminate December 31, 1985.” The termination date has been extended several times, see 16 U.S.C. 608c note, most recently by section 1105(b) of Public Law 103-66 (107 Stat. 317), which extended the termination date to December 31, 1996.

PRODUCER REFERENDUM

(19) For the purpose of ascertaining whether the issuance of an order is approved or favored by producers or processors, as required under the applicable provisions of this title, the Secretary may conduct a referendum among producers or processors and in the case of an order other than an amendatory order shall do so. The requirements of approval or favor under any such provision shall be held to be complied with if, of the total number of producers or processors, or the total volume of production, as the case may be, represented in such referendum, the percentage approving or favoring is equal to or in excess of the percentage required under such provision. The terms and conditions of the proposed order shall be described by the Secretary in the ballot used in the conduct of the referendum. The nature, content, or extent of such description shall not be a basis for attacking the legality of the order or any action relating thereto. Nothing in this subsection shall be construed as limiting representation by cooperative associations as provided in subsection (12) of this section. For the purpose of ascertaining whether the issuance of an order applicable to pears for canning or freezing is approved or favored by producers as required under the applicable provisions of this title, the Secretary shall conduct a referendum among producers in each State in which pears for canning or freezing are proposed to be included within the provisions of such marketing order and the requirements of approval or favor under any such provisions applicable to pears for canning or freezing shall be held to be complied with if, of the total number of producers, or the total volume of production, as the case may be, represented in such referendum, the percentage approving or favoring is equal to or in excess of $66\frac{2}{3}$ per centum except that in the event that pear producers in any State fail to approve or favor the issuance of any such marketing order, it shall not be made effective in such State.

(2) Notwithstanding the provisions of section 7, all information furnished to or acquired by the Secretary of Agriculture pursuant to this section, as well as information for marketing order programs that is categorized as trade secrets and commercial or financial information exempt under section 552(b)(4) of title 5 of the United States Code from disclosure under section 552 of such title, shall be kept confidential by all officers and employees of the Department of Agriculture and only such information so furnished or acquired as the Secretary deems relevant shall be disclosed by them, and then only in a suit or administrative hearing brought at the direction, or upon the request, of the Secretary of Agriculture, or to which he or any officer of the United States is a party, and involving the marketing agreement or order with reference to which the information so to be disclosed was furnished or acquired. Notwithstanding the preceding sentence, any such information relating to a marketing agreement or order applicable to milk may be released upon the authorization of any regulated milk handler to whom such information pertains. (A) IN GENERAL.—If an order is in effect with respect to cranberries, the Secretary of Agriculture may require persons engaged in the handling or importation of cranberries or cranberry products (including producer-handlers, second handlers, processors, brokers, and importers) to provide such information as the Secretary considers necessary to effectuate the declared

policy of this title, including information on acquisitions, inventories, and dispositions of cranberries and cranberry products.

(B) DELEGATION TO COMMITTEE.—The Secretary may delegate the authority to carry out subparagraph (A) to any committee that is responsible for administering an order covering cranberries.

(C) CONFIDENTIALITY.—Paragraph (2) shall apply to information provided under this paragraph.

(D) VIOLATIONS.—Any person who violates this paragraph shall be subject to the penalties provided under section 8c(14).

SEC. 8e. [7 U.S.C. 608e-1] (a) Subject to the provisions of subsections (c) and (d) and notwithstanding any other provision of law, whenever a marketing order issued by the Secretary of Agriculture pursuant to section 8c of this Act contains any terms or conditions regulating the grade, size, quality, or maturity of tomatoes, raisins, olives (other than Spanish-style green olives), prunes, avocados, mangoes, limes, grapefruit, green peppers, Irish potatoes, cucumbers, oranges, onions, walnuts, dates, filberts, table grapes, eggplants, kiwifruit, nectarines, clementines, plums, pistachios, apples, or caneberries (including raspberries, blackberries, and loganberries) produced in the United States the importation into the United States of any such commodity, other than dates for processing, during the period of time such order is in effect shall be prohibited unless it complies with the grade, size, quality, and maturity provisions of such order or comparable restrictions promulgated hereunder: *Provided*, That this prohibition shall not apply to such commodities when shipped into continental United States from the Commonwealth of Puerto Rico or any Territory or possession of the United States where this Act has force and effect: *Provided further*, That whenever two or more such marketing orders regulating the same agricultural commodity produced in different areas of the United States are concurrently in effect, the importation into the United States of any such commodity, other than dates for processing, shall be prohibited unless it complies with the grade, size, quality, and maturity provisions of the order which, as determined by the Secretary of Agriculture, regulates the commodity produced in the area with which the imported commodity is in most direct competition. Such prohibition shall not become effective until after the giving of such notice as the Secretary of Agriculture determines reasonable, which shall not be less than three days. In determining the amount of notice that is reasonable in the case of tomatoes the Secretary of Agriculture shall give due consideration to the time required for their transportation and entry into the United States after picking. Whenever the Secretary of Agriculture finds that the application of the restrictions under a marketing order to an imported commodity is not practicable because of variations in characteristics between the domestic and imported commodity he shall establish with respect to the imported commodity, other than dates for processing, such grade, size, quality, and maturity restrictions by varieties, types, or other classifications as he finds will be equivalent or comparable to those imposed upon the domestic commodity under such order. The Secretary of Agriculture may promulgate such rules and regulations as he deems necessary, to carry out the provisions of this section. Any person who violates any provision

if^{8e-1} this section or of any rule, regulation, or order promulgated hereunder shall be subject to a forfeiture in the amount prescribed in section 8a(5) or, upon conviction, a penalty in the amount prescribed in section 8c(14) of the Act, or to both such forfeiture and penalty.

(b)(1) The Secretary may provide for a period of time (not to exceed 35 days) in addition to the period of time covered by a marketing order during which the marketing order requirements would be in effect for a particular commodity during any year if the Secretary determines that such additional period of time is necessary—

(A) to effectuate the purposes of this Act; and

(B) to prevent the circumvention of the grade, size, quality, or maturity standards of a seasonal marketing order applicable to a commodity produced in the United States by imports of such commodity.

(2) In making the determination required by paragraph (1), the Secretary, through notice and comment procedures, shall consider—

(A) to what extent, during the previous year, imports of a commodity that did not meet the requirements of a marketing order applicable to such commodity were marketed in the United States during the period that such marketing order requirements were in effect for available domestic commodities (or would have been marketed during such time if not for any additional period established by the Secretary);

(B) if the importation into the United States of such commodity did, or was likely to, circumvent the grade, size, quality or maturity standards of a seasonal marketing order applicable to such commodity produced in the United States; and

(C) the availability and price of commodities of the variety covered by the marketing order during any additional period the marketing order requirements are to be in effect.

(3) An additional period established by the Secretary in accordance with this subsection shall be—

(A) announced not later than 30 days before the date such additional period is to be in effect; and

(B) reviewed by the Secretary on request, through notice and comment procedures, at least every 3 years in order to determine if the additional period is still needed to prevent circumvention of the seasonal marketing order by imported commodities.

(4) For the purposes of carrying out this subsection, the Secretary is authorized to make such reasonable inspections as may be necessary.

(c) Prior to any important prohibition or regulation under this section being made effective with respect to any commodity—

(1) the Secretary of Agriculture shall notify the United States Trade Representative of such import prohibition or regulation; and

(2) the United States Trade Representative shall advise the Secretary of Agriculture, within 60 days of the notification under paragraph (1), to ensure that the application of the grade, size, quality, and maturity provisions of the relevant marketing order, or comparable restrictions, to imports is not inconsistent with United States international obligations under

any trade agreement, including the General Agreement on Tariffs and Trade.

(d) The Secretary may proceed with the proposed prohibition or regulation if the Secretary receives the advice and concurrence of the United States Trade Representative within 60 days of the notification under subsection (c)(1).

PROCESSING TAX

SEC. 9. [7 U.S.C. 609] (a) To obtain revenue for extraordinary expenses incurred by reason of the national economic emergency, there shall be levied processing taxes as hereinafter provided. When the Secretary of Agriculture determines that any one or more payments authorized to be made under section 8 are to be made with respect to any basic agricultural commodity, he shall proclaim such determination, and a processing tax shall be in effect with respect to such commodity from the beginning of the marketing year therefor next following the date of such proclamation; except that (1) in the case of sugar beets and sugarcane, the Secretary of Agriculture shall, on or before the thirtieth day after the adoption of this amendment, proclaim that rental or benefit payments with respect to said commodities are to be made, and the processing tax shall be in effect on and after the thirtieth day after the date of the adoption of this amendment. In the case of sugar beets and sugarcane, the calendar year shall be considered to be the marketing year and for the year 1934 the marketing year shall begin January 1, 1934, and (2) in the case of rice, the Secretary of Agriculture shall, before April 1, 1935, proclaim that rental or benefit payments are to be made with respect thereto, and the processing tax shall be in effect on and after April 1, 1935. In the case of rice, the period from August 1 to July 31, both inclusive, shall be considered to be the marketing year. The processing tax shall be levied, assessed, and collected upon the first domestic processing of the commodity, whether of domestic production or imported, and shall be paid by the processor. The rate of tax shall conform to the requirements of subsection (b). Such rate shall be determined by the Secretary of Agriculture as of the date the tax first takes effect, and the rate so determined shall, at such intervals as the Secretary finds necessary to effectuate the declared policy, be adjusted by him to conform to such requirements. The processing tax shall terminate at the end of the marketing year current at the time the Secretary proclaims that all payments authorized under section 8 which are in effect are to be discontinued with respect to such commodity. The marketing year for each commodity shall be ascertained and prescribed by regulations of the Secretary of Agriculture: *Provided*, That upon any article upon which a manufactures' sales tax is levied under the authority of the Revenue Act of 1932 and which manufactures' sales tax is computed on the basis of weight, such manufactures' sales tax shall be computed on the basis of the weight of said finished article less the weight of the processed cotton contained therein on which a processing tax has been paid.

TAX RATE GENERALLY

(b)(1) The processing tax shall be at such rate as equals the difference between the current average farm price for the commodity and the fair exchange value of the commodity, plus such percentage of such difference, not to exceed 20 per centum, as the Secretary of

Agriculture may determine will result in the collection, in any marketing year with respect to which such rate of tax may be in effect pursuant to the provisions of this title, of an amount of tax equal to (A) the amount of credits or refunds which he estimates will be allowed or made during such period pursuant to section 15(c) with respect to the commodity and (B) the amount of tax which he estimates would have been collected during such period upon all processings of such commodity which are exempt from tax by reason of the fact that such processings are done by or for a State, or a political subdivision or an institution thereof, had such processings been subject to tax. If, prior to the time the tax takes effect, or at any time thereafter, the Secretary has reason to believe that the tax at such rate, or at the then existing rate, on the processing of the commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, will cause or is causing such reduction in the quantity of the commodity or products thereof domestically consumed as to result in the accumulation of surplus stocks of the commodity or products thereof or in the depression of the farm price of the commodity, then the Secretary shall cause an appropriate investigation to be made, and afford due notice and opportunity for hearing to interested parties. If thereupon the Secretary determines and proclaims that any such result will occur or is occurring, then the processing tax on the processing of the commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, shall be at such lower rate or rates as he determines and proclaims will prevent such accumulation of surplus stocks and depression of the farm price of the commodity, and the tax shall remain during its effective period at such lower rate until the Secretary, after due notice and opportunity for hearing to interested parties, determines and proclaims that an increase in the rate of such tax will not cause such accumulation of surplus stocks or depression of the farm price of the commodity. Thereafter the processing tax shall be at the highest rate which the Secretary determines will not cause such accumulation of surplus stocks or depression of the farm price of the commodity, but it shall not be higher than the rate provided in the first sentence of this paragraph.

SPECIFIC TAX RATES

(2) In the case of wheat, cotton, field corn, hogs, peanuts, paper, and jute, and (except as provided in paragraph (8) of this subsection) in the case of sugarcane and sugar beets, the tax on the first domestic processing of the commodity generally or for any particular use, or in the production of any designated product for any designated use, shall be levied, assessed, collected, and paid at the rate prescribed by the regulations of the Secretary of Agriculture in effect on the date of the adoption of this amendment, during the period from such date to December 31, 1937, both dates inclusive.

SPECIFIC TAX RATE—RICE

(3) For the period from April 1, 1935, to July 31, 1936, both inclusive, the processing tax with respect to rice shall be levied, as-

essed, collected, and paid at the rate of 1 cent per pound of rough rice.

SPECIFIC TAX RATE—MARKETING YEAR—FLOOR STOCKS—RYE

(4) For the period from September 1, 1935, to December 31, 1937, both inclusive, the processing tax with respect to rye shall be levied, assessed, collected, and paid at the rate of 30 cents per bushel of fifty-six pounds. In the case of rye, the first marketing year shall be considered to be the period commencing September 1, 1935, and ending June 30, 1936. Subsequent marketing years shall commence on July 1 and end on June 30 of the succeeding year. The provisions of section 16 of this title shall not apply in the case of rye.

SPECIFIC TAX RATE—FLOOR STOCKS—BARLEY

(5) If at any time prior to December 31, 1937, a tax with respect to barley becomes effective pursuant to proclamation as provided in subsection (a) of this section, such tax shall be levied, assessed, collected, and paid during the period from the date upon which such tax becomes effective to December 31, 1937, both inclusive, at the rate of 25 cents per bushel of forty-eight pounds. The provisions of section 16 of this title shall not apply in the case of barley.

ADJUSTMENT OF RATE

(6)(A) Any rate of tax which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6) on the processing of any commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, shall be decreased (including a decrease to zero) in accordance with the formulae, standards, and requirements of paragraph (1) of this subsection, in order to prevent such reduction in the quantity of such commodity or the products thereof domestically consumed as will result in the accumulation of surplus stocks of such commodity or the products thereof or in the depression of the farm price of the commodity, and shall thereafter be increased in accordance with the provisions of paragraph (1) of this subsection but subject to the provisions of subdivision (B) of this paragraph (6).

(B) If the average farm price of any commodity, the rate of tax on the processing of which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or is established pursuant to this paragraph (6), during any period of twelve successive months ending after July 1, 1935, consisting of the first ten months of any marketing year and the last two months of the preceding marketing year—

(i) is equal to, or exceeds by 10 per centum or less, the fair exchange value thereof the rate of such tax shall (subject to the provisions of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next succeeding marketing year, to such rate as equals 20 per centum of the fair exchange value thereof.

(ii) exceeds by more than 10 per centum, but not more than 20 per centum, the fair exchange value thereof, the rate of such tax shall (subject to the provisions of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next suc-

ceeding marketing year, to such rate as equals 15 per centum of the fair exchange value thereof.

(iii) exceeds by more than 20 per centum the fair exchange value thereof, the rate of such tax shall (subject to the provisions of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next succeeding marketing year, to such rate as equals 10 per centum of the fair exchange value thereof.

(C) Any rate of tax which has been adjusted pursuant to this paragraph (6) shall remain at such adjusted rate unless further adjusted or terminated pursuant to this paragraph (6), until December 31, 1937, or until July 31, 1936, in the case of rice.

(D) In accordance with the formulae, standards, and requirements prescribed in this title, any rate of tax prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6) shall be increased.

(E) Any tax, the rate of which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6), shall terminate pursuant to proclamation as provided in section 9(a) of this title or pursuant to section 13 of this title. Any such tax with respect to any basic commodity which terminates pursuant to proclamation as provided in section 9(a) of this title shall again become effective at the rate prescribed in paragraph (2), (3), (4), or (5) of this subsection, subject however to the provisions of subdivisions (A) and (B) of this paragraph (6), from the beginning of the marketing year for such commodity next following the date of a new proclamation by the Secretary as provided in section 9(a) of this title, if such marketing year begins prior to December 31, 1937, or prior to July 31, 1936, in the case of rice, and shall remain at such rate until altered or terminated pursuant to the provisions of section 9 or terminated pursuant to section 13 of this title.

(F) After December 31, 1937 (in the case of the commodities specified in paragraphs (2), (4), and (5) of this subsection), and after July 31, 1936 (in the case of rice), rates of tax shall be determined by the Secretary of Agriculture in accordance with the formulae, standards and requirements prescribed in this title but not in this paragraph (6), and shall, subject to such formulae, standards, and requirements, thereafter be effective.

(G) If the applicability to any person or circumstances of any tax, the rate of which is fixed in pursuance of this paragraph (6), is finally held invalid by reason of any provision of the Constitution, or is finally held invalid by reason of the Secretary of Agriculture's exercise or failure to exercise any power conferred on him under this title, there shall be levied, assessed, collected, and paid (in lieu of all rates of tax fixed in pursuance of this paragraph (6) with respect to all tax liabilities incurred under this title on or after the effective date of each of the rates of tax fixed in pursuance of this paragraph (6)), rates of tax fixed under paragraph (2), (3), (4), or (5), and such rates shall be in effect (unless the particular tax is terminated pursuant to proclamation, as provided in section 9 (a) or pursuant to section 13) until altered by Act of Congress; except that, for any period prior to the effective date of such holding of invalidity, the amount of tax which represents the difference between the tax at the rate fixed in pursuance of this paragraph (6) and the tax at the rate fixed under paragraphs (2), (3), (4), and (5) shall not be levied, assessed, collected, or paid.

RICE—SPECIAL RULE

(7) In the case of rice, the weight to which the rate of tax shall be applied shall be the weight of rough rice when delivered to a processor, except that, where the producer processes his own rice, the weight to which the rate of tax shall be applied shall be the weight of rough rice when delivered to the place of processing.

SUGAR—SPECIAL RULE

(8) In the case of sugar beets or sugarcane the rate of tax shall be applied to the direct-consumption sugar, resulting from the first domestic processing, translated into terms of pounds of raw value according to regulations to be issued by the Secretary of Agriculture, and in the event that the Secretary increases or decreases the rate of tax fixed by paragraph (2) of this subsection, pursuant to the provisions of paragraph (6) of this subsection, then the rate of tax to be so applied shall be the higher of the two following quotients: The difference between the current average farm price and the fair exchange value (A) of a ton of sugar beets and (B) of a ton of sugarcane, divided in the case of each commodity by the average extraction therefrom of sugar in terms of pounds of raw value (which average extraction shall be determined from available statistics of the Department of Agriculture); the rate of tax fixed by paragraph (2) of this subsection or adjusted pursuant to the provisions of paragraph (6) of this subsection shall in no event exceed the amount of the reduction by the President on a pound of sugar raw value of the rate of duty in effect on January 1, 1934, under paragraph 501 of the Tariff Act of 1930, as adjusted to the treaty of commercial reciprocity concluded between the United States and the Republic of Cuba on December 11, 1902, and/or the provisions of the Act of December 17, 1903, chapter 1.

WHEAT PREMIUMS

(9) In computing the current average farm price in the case of wheat, premiums paid producers for protein content shall not be taken into account.

(c) For the purposes of part 2 of this title, the fair exchange value of a commodity shall be the price therefor that will give the commodity the same purchasing power, with respect to articles farmers buy, as such commodity had during the base period specified in section 2; and, in the case of all commodities where the base period is the pre-war period, August 1909 to July 1914, will also reflect interest payments per acre on farm indebtedness secured by real estate and tax payments per acre on farm real estate, as contrasted with such interest payments and tax payments during said base period; and the current average farm price and the fair exchange value shall be ascertained by the Secretary of Agriculture from available statistics of the Department of Agriculture. The rate of tax upon the processing of any commodity, in effect on the date on which this amendment is adopted, shall not be affected by the adoption of this amendment and shall not be required to be adjusted or altered, unless the Secretary of Agriculture finds that it is necessary to adjust or alter any such rate pursuant to section 9(a) of this title.

(d) As used in part 2 of this title—

(1) In case of wheat, rye, barley, and corn, the term “processing” means the milling or other processing (except cleaning and

drying) of wheat, rye, barley, or corn for market, including custom milling for toll as well as commercial milling, but shall not include the grinding or cracking thereof not in the form of flour for feed purposes only.

(2) In case of cotton, the term "processing" means the spinning, manufacturing, or other processing (except ginning) of cotton; and the term "cotton" shall not include cotton linters.

(3) In case of tobacco, the term "processing" means the manufacturing or other processing (except drying or converting into insecticides and fertilizers) of tobacco.

All taxes shall be imposed and all quotas shall be established in terms "raw value" and for purposes of quota and tax measurements all sugar shall be translated into terms of "raw value" according to regulations to be issued by the Secretary, except that in the case of direct-consumption sugar produced in continental United States from sugar beets the raw value of such sugar shall be one and seven one-hundredths times the weight thereof.

MISCELLANEOUS

SEC. 10. [7 U.S.C. 610] (a) The Secretary of Agriculture may appoint such officers and employees, subject to the provisions of the Classification Act of 1949 and Acts amendatory thereof, and such experts as are necessary to execute the functions vested in him by this title; and the Secretary may make such appointments without regard to the civil service laws or regulations: *Provided*, That no salary in excess of \$10,000 per annum shall be paid to any officer, employee, or expert of the Agricultural Adjustment Administration, which the Secretary shall establish in the Department of Agriculture for the administration of the functions vested in him by this title: *And provided further*, That the State Administrator appointed to administer this Act in each State shall be appointed by the President, by and with the advice and consent of the Senate. Title II of the Act entitled "An Act to maintain the credit of the United States Government", approved March 20, 1933, to the extent that it provides for the impoundment of appropriations on account of reduc-

tions in compensation, shall not operate to require such impoundment under appropriations contained in this Act.

(b)(1) The Secretary of Agriculture is authorized to establish, for the more effective administration of the functions vested in him by this title, State and local committees, or associations of producers, and to permit cooperative associations of producers, when in his judgment they are qualified to do so, to act as agents of their members and patrons in connection with the distribution of payments authorized to be made under section 8. The Secretary, in the administration of this title, shall accord such recognition and encouragement to producer-owned and producer-controlled cooperative associations as will be in harmony with the policy toward cooperative associations set forth in existing Acts of Congress, and as will tend to promote efficient methods of marketing and distribution.

(2)(i) Each order relating to milk and its products issued by the Secretary under this title shall provide that each handler subject thereto shall pay to any authority or agency established under such order such handler's pro rata share (as approved by the Secretary) of such expenses as the Secretary may find will necessarily be incurred by such authority or agency, during any period specified by him, for the maintenance and functioning of such authority or agency, other than expenses incurred in receiving, handling, holding, or disposing of any quantity of milk or products thereof received, handled, held, or disposed of by such authority or agency for the benefit or account of persons other than handlers subject to such order. The pro rata share of the expenses payable by a cooperative association of producers shall be computed on the basis of the quantity of milk or product thereof covered by such order which is distributed, processed, or shipped by such cooperative association of producers.

(ii) Each order relating to any other commodity or product issued by the Secretary under this title shall provide that each handler subject thereto shall pay to any authority or agency established under such order such handler's pro rata share (as approved by the Secretary) of such expenses as the Secretary may find are reasonable and are likely to be incurred by such authority or agency, during any period specified by him, for such purposes as the Secretary may pursuant to such order, determine to be appropriate, and for the maintenance and functioning of such authority or agency, other than expenses incurred in receiving, handling, holding, or disposing of any quantity of a commodity received, handled, held, or disposed of by such authority or agency for the benefit or account of persons other than handlers subject to such order. The pro share of the expenses payable by a cooperative association of producers shall be computed on the basis of the quantity of the agricultural commodity or product thereof covered by such order which is distributed, processed, or shipped by such cooperative association of producers. The payment of assessments for the maintenance and functioning of such authority or agency, as provided for herein, may be required under a marketing agreement or marketing order throughout the period the marketing agreement or order is in effect and irrespective of whether particular provisions thereof are suspended or become inoperative.

(iii) Any authority or agency established under an order may maintain in its own name, or in the name of its members, a suit against any handler subject to an order for the collection of such handler's pro rata share of expenses. The several district courts of

the United States are hereby vested with jurisdiction to entertain such suits regardless of the amount in controversy.

(c) The Secretary of Agriculture is authorized, with the approval of the President, to make such regulations with the force and effect of law as may be necessary to carry out the powers vested in him by this title. Any violation of any regulation shall be subject to such penalty, not in excess of \$100, as may be provided therein.

(d) The Secretary of the Treasury is authorized to make such regulations as may be necessary to carry out the powers vested in him by this title.

(e) The action of any officer, employee, or agent in determining the amount of and in making any payment authorized to be made under section 8 shall not be subject to review by any officer of the Government other than the Secretary of Agriculture or Secretary of the Treasury.

(f) The provisions of this title shall be applicable to the United States and its possessions, except the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and the island of Guam; except that, in the case of sugar beets and sugarcane, the President, if he finds it necessary in order to effectuate the declared policy of this Act, is authorized by proclamation to make the provisions of this title applicable to the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and/or the island of Guam.

(g) No person shall, while acting in any official capacity in the administration of this title, speculate, directly or indirectly, in any agricultural commodity or product thereof, to which this title applies, or in contracts relating thereto, or in the stock or membership interests of any association or corporation engaged in handling, processing, or disposing of any such commodity or product. Any person violating this subsection shall upon conviction thereof be fined not more than \$10,000 or imprisoned not more than two years, or both.

(h) For the efficient administration of the provisions of part 2 of this title, the provisions, including penalties, of sections 8, 9, and 10 of the Federal Trade Commission Act, approved September 26, 1914, are made applicable to the jurisdiction, powers, and duties of the Secretary in administering the provisions of this title and to any person subject to the provisions of this title, whether or not a corporation. Hearings authorized or required under this title shall be conducted by the Secretary of Agriculture or such officer or employee of the Department as he may designate for the purpose. The Secretary may report any violation of any agreement entered into under part 2 of this title to the Attorney General of the United States, who shall cause appropriate proceedings to enforce such agreement to be commenced and prosecuted in the proper courts of the United States without delay.

(i) The Secretary of Agriculture upon the request of the duly constituted authorities of any State is directed, in order to effectuate the declared policy of this title and in order to obtain uniformity in the formulation, administration, and enforcement of Federal and State programs relating to the regulation of the handling of agricultural commodities or products thereof, to confer with and hold joint hearings with the duly constituted authorities of any State, and is authorized to cooperate with such authorities; to accept and utilize, with the consent of the State, such State and local officers and employees as may be necessary; to avail himself of the

records and facilities of such authorities; to issue orders (subject to the provisions of section 8c) complementary to orders or other regulations issued by such authorities; and to make available to such State authorities the records and facilities of the Department of Agriculture: *Provided*, That information furnished to the Secretary of Agriculture pursuant to section 8d(1) hereof shall be made available only to the extent that such information is relevant to transactions within the regulatory jurisdiction of such authorities, and then only upon a written agreement by such authorities that the information so furnished shall be kept confidential by them in a manner similar to that required of Federal officers and employees under the provisions of section 8d(2) hereof.

(j) The term "interstate or foreign commerce" means commerce between any State, Territory, or possession, or the District of Columbia, and any place outside thereof; or between points within the same State, Territory, or possession, or the District of Columbia, but through any place outside thereof; or within any Territory or possession, or the District of Columbia. For the purpose of this Act (but in nowise limiting the foregoing definition) a marketing transaction in respect to an agricultural commodity or the product thereof shall be considered in interstate or foreign commerce if such commodity or product is part of that current of interstate or foreign commerce usual in the handling of the commodity or product whereby they, or either of them, are sent from one State to end their transit, after purchase, in another, including all cases where purchase or sale is either for shipment to another State or for the processing within the State and the shipment outside the State of the products so processed. Agricultural commodities or products thereof normally in such current of interstate or foreign commerce shall not be considered out of such current through resort being had to any means or device intended to remove transactions in respect thereto from the provisions of this Act. As used herein, the word "State" includes Territory, the District of Columbia, possession of the United States, and foreign nations.

As used in this title, the term "potatoes" means all varieties of potatoes included in the species *Solanum tuberosum*.

APPROPRIATION

SEC. 12. [7 U.S.C. 612] (a) There is hereby appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$100,000,000 to be available to the Secretary of Agriculture for

administrative expenses under this title and for payments authorized to be made under section 8. Such sum shall remain available until expended.

To enable the Secretary of Agriculture to finance, under such terms and conditions as he may prescribe, surplus reductions with respect to the dairy- and beef-cattle industries, and to carry out any of the purposes described in subsections (a) and (b) of this section (12) and to support and balance the markets for the dairy and beef cattle industries, there is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum \$200,000,000: *Provided*, That not more than 60 per centum of such amount shall be used for either of such industries.

(b) In addition to the foregoing, for the purpose of effectuating the declared policy of this title, a sum equal to the proceeds derived from all taxes imposed under this title is hereby appropriated to be available to the Secretary of Agriculture for (1) the acquisition of any agricultural commodity pledged as security for any loan made by any Federal agency, which loan was conditioned upon the borrower agreeing or having agreed to cooperate with a program of production adjustment or marketing adjustment adopted under the authority of the title, and (2) the following purposes under part 2 of this title: Administrative expenses, payments authorized to be made under section 8, and refunds on taxes. The Secretary of Agriculture and the Secretary of the Treasury shall jointly estimate from time to time the amounts, in addition to any money available under subsection (a), currently required for such purposes; and the Secretary of the Treasury shall, out of any money in the Treasury not otherwise appropriated, advance to the Secretary of Agriculture the amounts so estimated. The amount of any such advance shall be deducted from such tax proceeds as shall subsequently become available under this subsection.

(c) The administrative expenses provided for under this section shall include, among others, expenditures for personal services and rent in the District of Columbia and elsewhere, for law books and books of reference, for contract stenographic reporting services, and for printing and paper in addition to allotments under the existing law. The Secretary of Agriculture shall transfer to the Treasury Department, and is authorized to transfer to other agencies, out of funds available for administrative expenses under this title, such sums as are required to pay administrative expenses incurred and refunds made by such department or agencies in the administration of this title.

TERMINATION OF ACT

SEC. 13. [7 U.S.C. 613] This title shall cease to be in effect whenever the President finds and proclaims that the national economic emergency in relation to agriculture has been ended; and pending such time the President shall by proclamation terminate with respect to any basic agricultural commodity such provisions of this title as he finds are not requisite to carrying out the declared policy with respect to such commodity. In the case of sugar beets and sugarcane, the taxes provided by this title shall cease to be in effect, and the powers vested in the President or in the Secretary of Agriculture shall terminate on December 31, 1937 unless this title ceases to be in effect at an earlier date, as hereinabove provided. The Secretary of Agriculture shall make such investigations

and reports thereon to the President as may be necessary to aid him in executing this section.

SEC. 14. [7 U.S.C. 614] If any provision of this title is declared unconstitutional, or the applicability thereof to any person, circumstance, or commodity is held invalid the validity of the remainder of this title and the applicability thereof to other persons, circumstances, or commodities shall not be affected thereby.

EXEMPTIONS AND COMPENSATING TAXES

SEC. 15. [7 U.S.C. 615] (a) If at any time the Secretary of Agriculture finds, upon investigation and after due notice and opportunity for hearing to interested parties, that any class of products of any commodity is of such low value, considering the quality of the commodity used for their manufacture, that the imposition of the processing tax would prevent in whole or in large part the use of the commodity in the manufacture of such products and thereby substantially reduce consumption and increase the surplus of the commodity, then the Secretary of Agriculture shall so certify to the Secretary of the Treasury, specifying whether such result will in his judgment most effectively be prevented by a suspension of the imposition of the processing tax or a refund of the tax paid, with respect to such amount of the commodity or any product thereof as is used in the manufacture of such products, and thereafter, as shall be specified in such certification, (1) the imposition of the processing tax shall be suspended with respect to such amount of the commodity as is used in the manufacture of such products, and thereafter, as shall be specified in such certification, (2) the imposition of the processing tax shall be suspended with respect to such amount of the commodity as is used in the manufacture of such products until such time as the Secretary of Agriculture, after further investigation and due notice and opportunity for hearing to interested parties, revokes his certification to the Secretary of the Treasury, or (3) the Secretary of the Treasury shall refund (in accordance with the provisions of, to such persons and in such manner as shall be specified in, such certification) the amount of any tax paid (prior to the date of any revocation by the Secretary of Agriculture of his certification to the Secretary of the Treasury, upon further investigation and after due notice and opportunity for hearing to interested parties) under this title with respect to such amount of the commodity or any product thereof as is used after the date of such certification in the manufacture of such products, or shall credit against any tax due and payable under this title the amount of tax which would be refundable. During the period in which any certificate under this section is effective, the provisions of subsection (e) of this section shall be suspended with respect to all imported articles of the kind described in such certificate; and notwithstanding the provisions of section 21, any compensating taxes, which have heretofore, during the period in which any certificate under this section has been effective, become due and payable upon imported articles of the kind described in such certificate, shall be refunded by the Secretary of the Treasury if the same have been paid, or, if the same have not been paid the amount thereof shall be abated. Notwithstanding the provisions of section 21, the

Secretary of the Treasury shall refund or credit any processing tax paid on or before June 12, 1934, with respect to such amount of cotton as was used in the manufacture of large cotton bags (as defined in the Certificate of the Secretary of Agriculture, dated June 12, 1934) between June 13 and July 7, 1934, both inclusive.

(b) No tax shall be required to be paid on the processing of any commodity by or for the producer thereof for consumption by his own family, employees, or household; and the Secretary of Agriculture is authorized, by regulations, to exempt from the payment of the processing tax the processing of commodities by or for the producer thereof for sale by him where, in the judgment of the Secretary, the imposition of a processing tax with respect thereto is unnecessary to effectuate the declared policy.

(b-1) The Secretary of Agriculture is authorized and directed to issue tax-payment warrants, with respect to rough rice produced in 1933 and 1934 (provided the processing of such rice is not exempt from the tax, and provided no tax payment warrant has been previously issued with respect thereto or previously applied by application then pending, sufficient to cover the tax with respect to the processing thereof at the rate in effect at the time of such issuance, to any processor with respect to any such rice which he has in his possession on March 31, 1935, and to, or at the direction of any other person with respect to any such rice which, on or after April 1, 1935, he delivers for processing or sells to a processor: *Provided*, That in case any such processor or other person is the producer of such rice (or has received such rice by gift, bequest, or descent from the producer thereof) that such processor or other person is, if eligible, a cooperating producer: *And provided further*, That in case such processor or other person is not the producer thereof (nor a person who has received such rice by gift, bequest, or descent from the producer thereof), (a) that, if the title to such rice was transferred from the producer thereof, whether by operation of law or otherwise, prior to April 1, 1935, such producer received the price prescribed in any marketing agreement, license, regulation, or administrative ruling, pursuant to this title, applicable to the sale of such rice by the producer, and (b) that, if the title to such rice was transferred from the producer thereof, whether by operation of law or otherwise, on or after April 1, 1935, such producer received at least the full market price therefor plus an amount equal to 99 per centum of the face value of tax-payment warrants sufficient to cover the tax on the processing of such rice at rate in effect at the time title was so transferred, and was, if eligible, a cooperating producer.

(b-2) The warrants authorized and directed to be issued by subsection (b-1) of this section—

(1) shall be issued by the Secretary of Agriculture or his duly authorized agent in such manner, at such time or times, at such place or places, in such form, and subject to such terms and conditions with reference to the transfer thereof or the voiding of warrants fraudulently obtained and/or erroneously issued, as the Secretary of Agriculture may prescribe, and the Secretary of Agriculture is authorized to discontinue the further issuance of tax-payment warrants at any time or times and in any region or regions when he shall determine that the rice in any such region or regions can no longer be identified adequately as rice grown in 1933 or 1934; and

(2) Shall be accepted by the Collector of Internal Revenue and the Secretary of the Treasury at the face value thereof in payment of any processing tax on rice.

(b-3) (1) Any person who deals or traffics in, or purchases any such tax-payment warrant or the right of any person thereto at least than 99 per centum of its face value shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$1,000 or imprisoned for not more than one year or both.

(2) Any person who, with intent to defraud, secures or attempts to secure, or aids or assists in or procures, counsels, or advises, the securing or attempting to secure any tax-payment warrant with respect to rice as to which any tax-payment warrant has been theretofore issued shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$1,000 or imprisoned for not more than one year, or both.

(3) Any person who with intent to defraud forges, makes, alters, or counterfeits any tax-payment warrant or any stamp, tag, or other means of identification provided for by this title or any regulation issued pursuant thereto, or makes any false entry upon such warrant or any false statement in any applicant for the issuance of such warrant, or who uses, sells, lends, or has in his possession any such altered, forged, or counterfeited warrant or stamp, or other means of identification, or who makes, uses, sells, or has in his possession any material in imitation of the material used in the manufacture of such warrants or stamps, tags, or other means of identification, shall, upon conviction thereof, be punished by a fine not exceeding \$5,000 or by imprisonment not exceeding five years, or both.

(4) All producers, warehousemen, processors, and common carriers, having information with respect to rice produced in the years 1933 or 1934, may be required to furnish to the Secretary of Agriculture such information as he shall, by order, prescribe as necessary to safeguard the issuance, transfer, and/or use of tax-payment warrants.

(5) The Secretary of Agriculture may make regulations protecting the interests of producers (including share-tenants and share-croppers) and others, in the issuance, holding, use, and/or transfer of such tax-payment warrants.

(c) Any person, including any State or Federal organization or institution, delivering any product to any organization for charitable distribution, or use, including any State or Federal welfare organization, for its own use, whether the product is delivered as merchandise, or as a container for merchandise, or otherwise, shall, if such product or the commodity from which processed is under this title subject to tax, be entitled to a refund of the amount of any tax due and paid under this title with respect to such product so delivered, or to a credit against any tax due and payable under this title of the amount of tax which would be refundable under this section with respect to such product so delivered: *Provided, however,* That no tax shall be refunded or credited under this section, unless the person claiming the refund or credit establishes, in accordance with regulations prescribed by the Commissioner of Internal Revenue with the approval of the Secretary of the Treasury (1) that he has not included the tax in the price of the product so delivered or collected the amount of the tax from the said organization, or (2) that he has repaid, or has agreed in writing to repay, the amount

of the tax to the said organization. The word "State" as used in this section shall include a State and any political subdivision thereof.

(d) The Secretary of Agriculture shall ascertain from time to time whether the payment of the processing tax upon any basic agricultural commodity is causing or will cause to the processors or producers thereof disadvantages in competition from competing commodities by reason of excessive shifts in consumption between such commodities or products thereof. If the Secretary of Agriculture finds, after investigation and due notice and opportunity for hearing to interested parties, that such disadvantages in competition exist, or will exist, he shall proclaim such finding. The Secretary shall specify in this proclamation the competing commodity and the compensating rate of tax on the processing thereof necessary to prevent such disadvantages in competition. Thereafter there shall be levied, assessed, and collected upon the first domestic processing of such competing commodity a tax, to be paid by the processor, at the rate specified, until such rate is altered pursuant to a further finding under this section, or the tax or rate thereof on the basic agricultural commodity is altered or terminated. In no case shall the tax imposed upon such competing commodity exceed that imposed per equivalent unit, as determined by the Secretary, upon the basic agricultural commodity.

(e) During any period for which a processing tax is in effect with respect to any commodity there shall be levied, assessed, collected, and paid upon any article processed or manufactured wholly or partly from such commodity and imported into the United States or any possession thereof to which this title applies, from any foreign country or from any possession of the United States to which this title does not apply, whether imported as merchandise, or as a container of merchandise, or otherwise, a compensating tax equal to the amount of the processing tax in effect with respect to domestic processing of such commodity into such an article at the time of importation: *Provided* (1) That in the event any of the provisions of this title have been or are hereafter made applicable to any possession of the United States in the case of any particular commodity or commodities, but not generally, this title, for the purposes of this subsection, shall be deemed applicable to such possession with respect to such commodity or commodities but shall not be deemed applicable to such possession with respect to other commodities; and (2).¹⁵⁻¹, That all taxes collected under this subsection upon articles coming from the possessions of the United States to which this title does not apply shall not be covered into the general fund of the Treasury of the United States but shall be held as a separate fund and paid into the Treasury of the said possessions, respectively, to be used and expended by the governments thereof for the benefit of agriculture. Such tax shall be paid prior to the release of the article from customs custody or control.

(f) The President, in his discretion, is authorized by proclamation to decree that all or part of the taxes collected from the processing of sugar beets or sugarcane in Puerto Rico, the Territory of Hawaii, the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and/or the island of Guam (if the provisions of this title are made applicable thereto), and/or upon the processing in continental United States or sugar produced in, or coming from, said areas, shall not covered into the general fund of the

¹⁵⁻¹ Error in subsection (e): misplaced period.

Treasury of the United States but shall be held as a separate fund, in the name of the respective area to which related, to be used and expanded for the benefit of agriculture and/or paid as rental or benefit payments in connection with the reduction in the acreage, or reduction in the production for market, or both, of sugar beets and/or sugarcane, and/or used and expended for expansion of markets and for removal of surplus agricultural products in such areas, respectively, as the Secretary of Agriculture, with the approval of the President, shall direct.

FLOOR STOCKS

SEC. 16. [7 U.S.C. 616] (a) Upon the sale or other disposition of any article processed wholly or in chief value from any commodity with respect to which a processing tax is to be levied, that on the date the tax first takes effect or wholly terminates with respect to the commodity, is held for sale or other disposition (including articles in transit) by any person, there shall be made a tax adjustment as follows:

(1) Whenever the processing tax first takes effect, there shall be levied, assessed, and collected a tax to be paid by such person equivalent to the amount of the processing tax which would be payable with respect to the commodity from which processed if the processing had occurred on such date. Such tax upon articles imported prior to, but in customs custody or control on, the effective date, shall be paid prior to release therefrom. In the case of sugar, the tax on floor stocks, except the retail stocks of persons engaged in retail trade, shall be paid for the month in which the stocks are sold, or used in the manufacture of other articles, under rules and regulations prescribed by the Commissioner of Internal Revenue with the approval of the Secretary of the Treasury.

(2) Whenever the processing tax is wholly terminated. (A) there shall be refunded or credited in the case of a person holding such stocks with respect to which a tax under this title has been paid, or (B) there shall be credited or abated in the case of a person holding such stocks with respect to which a tax under this title is payable, where such person is the processor liable for the payment of such tax, or (C) there shall be refunded or credited (but not before the tax has been paid) in the case of a person holding such stocks with respect to which a tax under this title is payable, where such person is not the processor liable for the payment of such tax, a sum in an amount equivalent to the processing tax which would have been payable with respect to the commodity from which processed if the processing had occurred on such date: *Provided*, That in the case of any commodity with respect to which there was any increase, effective prior to June 1, 1934, in the rate of the processing tax, no such refund, credit, or abatement, shall be in an amount which exceeds the equivalent of the initial rate of the processing tax in effect with respect to such commodity.

(b) The tax imposed by subsection (a) shall not apply to the retail stocks of persons engaged in retail trade, held at the date the processing tax first takes effect; but such retail stocks shall not be deemed to include stocks held in a warehouse on such date, or such portion of other stocks held on such date as are not sold or otherwise disposed of within thirty days thereafter. Except as to flour and prepared flour, and cereal preparations made chiefly from wheat, as classified in Wheat Regulations, Series 1, Supplement 1,

and as to any article processed wholly or in chief value from cotton, the tax refund, credit, or abatement provided in subsection (a) of this section shall not apply to the retail stocks of persons engaged in retail trade, nor to any article (except sugar) processed wholly or in chief value from sugar beets, sugarcane, or any product thereof, nor to any article (except flour, prepared flour and cereal preparations made chiefly from wheat, as classified in Wheat Regulations, Series 1, Supplement 1) processed wholly or in chief value from wheat, held on the date the processing tax is wholly terminated.

(c)(1) Any sugar imported prior to the effective date of a processing tax on sugar beets and sugarcane, with respect to which it is established (under regulations prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury) that there was paid at the time of importation a duty at the rate in effect on January 1, 1934, and (2) any sugar held on April 25, 1934, or to be delivered under a bona fide contract of sale entered into prior to April 25, 1934, to, any manufacturer or converter, for use in the production of any article (except sugar) and not for ultimate consumption as sugar, and (3) any article (except sugar) processed wholly or in chief value from sugar beets, sugarcane, or any product thereof, shall be exempt from taxation under subsection (a) of this section, but sugar held in customs custody or control on April 25, 1934, shall not be exempt from taxation under subsection (a) of this section, unless the rate of duty paid upon the withdrawal thereof was the rate of duty in effect on January 1, 1934.

(d) The Secretary of Agriculture is authorized to purchase, out of such proceeds of taxes as are available therefor, during the period this Act is in effect with respect to sugar beets and sugarcane, not in excess of three hundred thousand tons of sugar raw value from the surplus stocks of direct-consumption sugar produced in the United States beet-sugar area, at a price not in excess of the market price for direct consumption sugar on the date of purchase, and to dispose of such sugar by sale or otherwise, including distribution to any organization for the relief of the unemployed, under such conditions and at such time as will tend to effectuate the declared policy of section 8a of this Act. The sugar so purchased shall not be included in the quota for the United States beet-sugar area. All proceeds received by the Secretary of Agriculture, in the exercise of the powers granted hereby, are appropriated to be available to the Secretary of Agriculture for the purposes described in subsections (a) and (b) of section 12 of this Act.

(e) Upon the sale or other disposition of any article processed wholly or in chief value from any commodity with respect to which the existing rate of the processing tax is to be increased, or decreased, that on the date such increase, or decrease, first takes effect with respect to the commodity, is held for sale or other disposition (including articles in transit) by any person, and upon the production of any article from a commodity in process on the date on which the rate of the processing tax is to be increased or decreased, there shall be made a tax adjustment as follows:

(1) Whenever, on or after June 1, 1934, the rate of the processing tax on the processing of the commodity generally or for any designated use or uses, or as to any designated product or products thereof for any designated use or uses, or as to any class of products, is decreased, there shall be credited or refunded to such per-

son an amount equivalent to the difference between the rate of the processing tax payable or paid at the time immediately preceding the decrease in rate and the rate of the processing tax which would have been payable with respect to the commodity from which processed, if the processing had occurred on such date: *Provided, however,* That no such credit or refund shall be made in the case of hogs unless the rate of the processing tax immediately preceding said decrease is equal to, or less than, the rate of the processing tax in effect on the date on which any floor stocks tax was paid prior to the adoption of this amendment, In the case of wheat the provisions of this paragraph and of paragraph (2) of this subsection shall apply to flour, prepared flour and cereal preparations made chiefly from wheat, as classified in Wheat Regulations, Series 1, Supplement 1 only; in the case of sugarcane and sugar beets the provisions of this paragraph and of paragraph (2) of this subsection shall apply to sugar only.

(2) Whenever the rate of the processing tax on the processing of the commodity generally, or for any designated use or uses, or as to any designated product or products thereof for any designated use or uses, or as to any class of products, is increased, there shall be levied, assessed and collected a tax to be paid by such person equivalent to the difference between the rate of the processing tax payable or paid at the time immediately preceding the increase in rate and the rate of the processing tax which would be payable with respect to the commodity from which processed, if the processing had occurred on such date.

(3) Whenever the processing tax is suspended or is to be refunded pursuant to a certification of the Secretary of Agriculture to the Secretary of the Treasury, under section 15(a) of this Act, the provisions of subdivision (1) of this subsection shall become applicable.

(4) Whenever the Secretary of Agriculture revokes any certification to the Secretary of the Treasury under section 15(a) of this Act, the provisions of subdivision (2) of this subsection shall become applicable.

(5) The provisions of this amendment shall be effective on and after June 1, 1934.

(f) The provisions of this section shall not be applicable with respect to rice.

EXPORTATIONS

SEC. 17. [7 U.S.C. 617] (a) Upon the exportation to any foreign country (and/or to the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and the island of Guam) of any product processed wholly or partly from a commodity with respect to which product or commodity a tax has been paid or is payable under this title, the tax due and payable or due and paid shall be credited or refunded. Under regulations prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, the credit or refund shall be allowed to the consignor named in the bill of lading under which the product is exported or to the shipper or to the person liable for the tax provided the consignor waives any claim thereto in favor of such shipper or person liable for the tax. In the case of rice, a tax due under this title which has been paid by a tax-payment warrant shall be deemed for the purposes of this subsection to have been paid; and with respect

to any refund authorized under this section, the amount scheduled by the Commissioner of Internal Revenue for refunding shall be paid, any provision of law notwithstanding. In the case of sugar beets and sugarcane, this subsection shall be applicable to exports of products thereof to the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and/or the island of Guam only if this title with respect to sugar beets and sugarcane is not made applicable thereto. The term "product" includes any product exported as merchandise, or as a container for merchandise, or otherwise.

(b) Upon the giving of bond satisfactory to the Secretary of the Treasury for the faithful observance of the provisions of this title requiring the payment of taxes, any person shall be entitled, without payment of the tax, to process for such exportation any commodity with respect to which a tax is imposed by this title, or to hold for such exportation any article processed wholly or partly therefrom.

EXISTING CONTRACTS

SEC. 18. [7 U.S.C. 618] (a) If (1) any processor, jobber, or wholesaler has, prior to the date a tax with respect to any commodity is first imposed under this title, made a bona fide contract of sale for delivery on or after such date, of any article processed wholly or in chief value from such commodity, and if (2) such contract does not permit the addition to the amount to be paid thereunder of the whole of such tax, then (unless the contract prohibits such addition) the vendee shall pay so much of the tax as is not permitted to be added to the contract price.

(b) Taxes payable by the vendee shall be paid to the vendor at the time the sale is consummated and shall be collected and paid to the United States by the vendor in the same manner as other taxes under this title. In case of failure or refusal by the vendee to pay such taxes to the vendor, the vendor shall report the facts to the Commissioner of Internal Revenue who shall cause collections of such taxes to be made from the vendee.

COLLECTION OF TAXES

SEC. 19. [7 U.S.C. 619] (a) The taxes provided in this title shall be collected by the Bureau of Internal Revenue under the direction of the Secretary of the Treasury. Such taxes shall be paid into the Treasury of the United States.

(b) All provisions of law, including penalties, applicable with respect to the taxes imposed by section 600 of the Revenue Act of 1926, and the provisions of section 626 of the Revenue Act of 1932, shall, in so far as applicable and not inconsistent with the provisions of this title, be applicable in respect of taxes imposed by this title: *Provided*, That the Secretary of the Treasury is authorized to permit postponement, for a period not exceeding one hundred and eighty days, of the payment of not exceeding three-fourths of the amount of the taxes covered by any return under this title but postponement of all taxes covered by returns under this title for a period not exceeding one hundred and eighty days may be permitted in cases in which the Secretary of the Treasury authorizes such taxes to be paid each month on the amount of the commodity marketed during the next preceding month.

(c) [Repealed.]

(d) Under regulations made by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, any person required pursuant to the provisions of this title to file a return may be required to file such return and pay the tax shown to be due thereon to the collector of internal revenue for the district in which the processing was done or the liability was incurred. Whenever the Commissioner of Internal Revenue deems it necessary, he may require any person or class of persons handling or dealing in any commodity or product thereof, with respect to which a tax is imposed under the provisions of this title, to make a return, render under oath such statements, or to keep such records, as the Commissioner deems sufficient to show whether or not such person, or any other person, is liable for the tax.

SEC. 20. [7 U.S.C. 620] (a) Whoever in connection with the purchase of, or offer to purchase, any commodity, subject to any tax under this title, or which is to be subjected to any tax under this title, makes any statement, written or oral, (1) intended or calculated to lead any person to believe that any amount deducted from the market price or the agreed price of the commodity consists of a tax imposed under this title, or (2) ascribing a particular part of the deduction from the market price or the agreed price of the commodity, to a tax imposed under this title, knowing that such statement is false or that the tax is not so great as the amount deducted from the market price or the agreed price of the commodity, ascribed to such tax, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$1,000 or by imprisonment for not exceeding six months, or both.

(b) Whoever in connection with the processing of any commodity subject to any tax under this title, whether commercially, for toll, upon an exchange, or otherwise, makes any statement, written or oral, (1) intended or calculated to lead any person to believe that any part of the charge for said processing, whether commercially, for toll, upon an exchange, or otherwise, consists of a tax imposed under this title, or (2) ascribing a particular part of the charge for processing, whether commercially, for toll, upon an exchange, or otherwise, to a tax imposed under this title, knowing that such statement is false, or that the tax is not so great as the amount charged for said processing ascribed to such tax, shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not more than \$1,000 or by imprisonment for not exceeding six months or both.

(c) Whoever in connection with any settlement, under a contract to buy any commodity, and/or to sell such commodity, or any product or byproduct thereof, subject to any tax under this title, makes any statement, written or oral, (1) intended or calculated to lead any person to believe that any amount deducted from the gross sales price, in arriving at the basis of settlement under the contract, consists of a tax under this title, or (2) ascribing a particular amount deducted from the gross sales price, in arriving at the basis of settlement under the contract, to a tax imposed under this title, knowing that such statement is false, or that the tax is not so great, as the amount so deducted and/or ascribed to such tax, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not more than \$1,000 or by imprisonment for not exceeding six months, or both.

SEC. 21. [7 U.S.C. 623] (a) No suit, action, or proceeding (including probate, administration, and receivership proceedings) shall be brought or maintained in any court if such suit, action, or proceeding is for the purpose or has the effect (1) of preventing or restraining the assessment or collection of any tax imposed or the amount of any penalty or interest accrued under this title on or after the date of the adoption of this amendment, or (2) of obtaining a declaratory judgment under the Federal Declaratory Judgments Act in connection with any such tax or such amount of any such interest or penalty. In probate, administration, receivership, or other similar proceedings, the claim of the United States for any such tax or such amount of any such interest or penalty, in the amount assessed by the Commissioner of Internal Revenue, shall be allowed and ordered to be paid, but the right to claim the refund, or credit thereof and to maintain such claim pursuant to the applicable provisions of law, including subsection (d) of this section, may be reserved in the court's order.

(b) The taxes imposed under this title, as determined, prescribed, proclaimed and made effective by the proclamations and certificates of the Secretary of Agriculture or of the President and by the regulations of the Secretary with the approval of the President prior to the date of the adoption of this amendment, are hereby legalized and ratified, and the assessment, levy, collection, and accrual of all such taxes (together with penalties and interest with respect thereto) prior to said date are hereby legalized and ratified and confirmed as fully to all intents and purposes as if each such tax had been made effective and the rate thereof fixed specifically by prior Act of Congress. All such taxes which have accrued and remain unpaid on the date of the adoption of this amendment shall be assessed and collected pursuant to section 19, and to the provisions of law made applicable thereby. Nothing in this section shall be construed to import illegality to any act, determination, proclamation, certificate, or regulation of the Secretary of Agriculture or of the President done or made prior to the date of the adoption of this amendment.

(c) The making of rental and benefit payments under this title, prior to the date of the adoption of this amendment, as determined, prescribed, proclaimed and made effective by the proclamations of the Secretary of Agriculture or of the President or by regulations of the Secretary, and the initiation, if formally approved by the Secretary of Agriculture prior to such date of adjustment programs under section 8(1) of this title, and the making of agreements with producers prior to such date, and the adoption of other voluntary methods prior to such date, by the Secretary of Agriculture under this title, and rental and benefit payments made pursuant thereto, are hereby legalized and ratified, and the making of all such agreements and payments, the initiation of such programs, and the adoption of all such methods prior to such date are hereby legalized, ratified, and confirmed as fully to all intents and purposes as if each such agreement, program, method, and payment had been specifically authorized and made effective and the rate and amount thereof fixed specifically by prior Act of Congress.

SEC. 22. [7 U.S.C. 624] (a) Whenever the Secretary of Agriculture has reason to believe that any article or articles are being or are practically certain to be imported into the United States under such conditions and in such quantities as to render or tend

to render ineffective, or materially interfere with, any program or operation undertaken under this title or the Soil Conservation and Domestic Allotment Act, as amended, or section 32, Public Law Numbered 320, Seventy-fourth Congress, approved August 24, 1935, as amended, or any loan, purchase, or other program or operation undertaken by the Department of Agriculture, or any agency operating under its direction, with respect to any agricultural commodity or product thereof, or to reduce substantially the amount of any product processed in the United States from any agricultural commodity or product thereof with respect to which any such program or operation is being undertaken, he shall so advise the President, and, if the President agrees that there is reason for such belief, the President shall cause an immediate investigation to be made by the United States Tariff Commission, which shall give precedence to investigations under this section to determine such facts. Such investigation shall be made after due notice and opportunity for hearing to interested parties, and shall be conducted subject to such regulations as the President shall specify.

(b) If, on the basis of such investigation and report to him of findings and recommendations made in connection therewith, the President finds the existence of such facts, he shall by proclamation impose such fees not in excess of 50 per centum ad valorem or such quantitative limitations on any article or articles which may be entered, or withdrawn from warehouse, for consumption as he finds and declares shown by such investigation to be necessary in order that the entry of such article or articles will not render or tend to render ineffective, or materially interfere with, any program or operation referred to in subsection (a) of this section, or reduce substantially the amount of any product processed in the United States from any such agricultural commodity or product thereof with respect to which any such program or operation is being undertaken: *Provided*, That no proclamation under this section shall impose any limitation on the total quantity of any article or articles which may be entered, or withdrawn from warehouses, for consumption which reduces such permissible total quantity to proportionately less than 50 per centum of the total quantity of such article or articles which was entered, or withdrawn from warehouse, for consumption during a representative period as determined by the President: *And provided further*, That in designating any article or articles, the President may describe them by physical qualities, value, use, or upon such other bases as he shall determine. In any case where the Secretary of Agriculture determines and reports to the President with regard to any article or articles that a condition exists requiring emergency treatment, the President may take immediate action under this section without awaiting the recommendations of the Tariff Commission, such action to continue in effect pending the report and recommendations of the Tariff Commission and action thereon by the President.

(c) The fees and limitations imposed by the President by proclamation under this section and any revocation, suspension, or modification thereof, shall become effective on such date as shall be therein specified, and such fees shall be treated for administrative purposes and for the purposes of section 32 of Public Law Numbered 320, Seventy-fourth Congress, approved August 24, 1935, as amended, as duties imposed by the Tariff Act of 1930, but such fees shall not be considered as duties for the purpose of granting any

preferential concession under any international obligation of the United States.

(d) After investigation, report, finding, and declaration in the manner provided in the case of a proclamation issued pursuant to subsection (b) of this section, any proclamation or provision of such proclamation may be suspended or terminated by the President whenever he finds and proclaims that the circumstances requiring the proclamation or provision thereof no longer exist or may be modified by the President whenever he finds and proclaims that changed circumstances require such modification to carry out the purposes of this section.

(e) Any decision of the President as to facts under this section shall be final.

(f)²²⁻¹ No quantitative limitation or fee shall be imposed under this section with respect to any article that is the product of a WTO member (as defined in section 2(10) of the Uruguay Round Agreements Act).

SEC. 23. [7 U.S.C. 627] DAIRY FORWARD PRICING PILOT PROGRAM.

(a) **PILOT PROGRAM REQUIRED.**—Not later than 90 days after the date of the enactment of this section, the Secretary of Agriculture shall establish a temporary pilot program under which milk producers and cooperatives are authorized to voluntarily enter into forward price contracts with milk handlers.
