**Cookbook to Benefit the Children of Sammy Boob Now Available**

Sammy Boob was proud to learn all about recycling. One of his proudest moments was earning his PROP certificate designating him a Certified Recycling Professional. He hung his plaque with great pride.

Sammy was a long time employee of the Centre County Recycling & Refuse Authority.

Back in 2009, Sammy was murdered and left behind his four children. Sammy loved to cook so it was only a matter of time before Sammy's co-workers, family and friends put together a cookbook to honor Sammy's memory.

The cookbook titled, "Delectable Delights from the Dump," is currently available to purchase for \$10.00. Employees of the Centre County Recycling & Refuse Authority have donated all printing costs, so that 100% of the proceeds from the cookbook sales will go into the Trust Funds for Sammy's four children.

These cookbooks make wonderful Christmas presents. They are filled with recipes submitted from Sammy's family as well as from residents across Centre County.

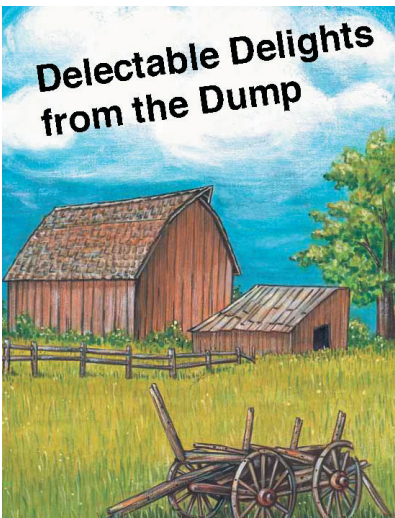

If you would like to purchase a cookbook, please contact our office at 814-238-7005, or e-mail [wasted5@uplink.net](mailto:wasted5@uplink.net). We thank you in advance for your support.
