TEAM CAPTAIN KIT

TEAM CAPTAIN INSTRUCTION OVERVIEW

The following is a brief overview of how to form a great team and implement a successful fundraising campaign for the Buddy Walk:

- First, fill out your Team Captain Commitment Form and send it in if you haven't already.
- Read over the entire Team Captain Kit for all great ideas and information it contains
- Ask everyone you know to join your team and help you fundraise

IT'S ALWAYS MORE FUN TO WALK WITH A GROUP

- If those you asked can't be on your team, don't stop there – ask them for donation
“THE MOST IMPORTANT THING IS TO ASK – I F YOU DON’T ASK – THE ANSWER IS ALWAYS NO!”
- Give all you walkers the following:
 - A Walker Collection Envelope
 - A Walker Participation Kit
 - Also, in addition to you filling out the Team Captain Commitment Form, please have all walkers fill out a registration form listing you as the Team Captain and the Team Name. They can then give this form to you to send in or they can send it in themselves. NOTE: They don't have to send in the \$20 Registration Fee at this time unless they want to. They can turn in their funds later after they fundraise. It is up to you and them.
- Encourage your walkers to ask everyone they know to donate – no matter how much, every little bit helps
- Also encourage your walkers to sign up for their **FREE** Firstgiving online fundraising page under your team name and their walker name. Go to www.firstgiving.com/dsosl to sign up today!
- Sign up for Firstgiving yourself
- If you or your walkers know of a store that will sell the Buddy Walk danglers, let us know and we will get them to you ASAP
- We also have BUDDY BUCKET COLLECTION CONTAINERS AVAILABLE

Regarding turning in money:

- Although you don't have to, you are encouraged to turn your money in early.
- Remind your walkers that everyone who raises \$20 or more gets a Buddy Walk T-Shirt
- If you turn in funds early and provide me the list of walkers, the amounts they raised and their t-shirt sizes, I will make the t-shirts available before the walk so they are available for you and your walkers to wear at the Buddy Walk
- Included with the \$20 registration fee is the Buddy Walk t-shirt and a voucher for one food item (tbd) and one for a drink. Additional food and drinks will be available for purchase.
- Note: Everyone is encouraged to fundraise as much as they can. However, families of 4 (up to 2 adults and 2 children) can pledge \$40 and all will receive t-shirts and vouchers
- T-Shirts and food vouchers are free to all individuals with Down syndrome.
- Walkers will also get credit for any in-kind donations or raffle prizes towards their fundraising incentive levels. Copy the enclosed form as needed.
- **NOTE:** Although you don't have to turn in your funds before the walk, you must turn in your walker registration form by September 1st to be considered an early bird registered walker. Registrations received after September 1st will be required to pay \$25 as an individual walker or \$50 for a family of 4.
- The family registration fees mentioned above applies to actual families – not 4 people walking together. Those walkers would be considered a team and each walker would have to pay the individual walker registration fee.

GOOD LUCK WITH YOUR TEAM AND THANK YOU AGAIN FOR BEING A TEAM CAPTAIN!

2011 - THE BUDDY WALK AT A GLANCE

Sponsors to Date: Aristocrat Technologies and Aerotek Professional Services

What: The Buddy Walk is a multi-city advocacy walk in which people who have Down syndrome invite “buddies” to walk with them. Buddies can be anyone from friends and family to teachers, coworkers and politicians. The Down Syndrome Organization of Southern Nevada (DSOSN) Buddy Walk is gearing up for its 11th annual Buddy Walk for 2011.

Why: The goal of the Buddy Walk is to celebrate October, National Down Syndrome Awareness Month, and to promote acceptance and inclusion of persons who have Down syndrome. The Buddy Walk raises more than \$10.5 million nationally and this year, in 2010, the local Buddy Walk in Southern Nevada expects to raise \$75,000 plus.

How: Funds are raised through corporate sponsorships, walker registration fees and walkers’ pledges at our local Buddy Walk and Buddy Walks around the country.

When: More than 275 Buddy Walks are scheduled in the United States and around the world this year. The DSOSN Buddy Walk will be held on Saturday – October 1st, 2011.

Where: Kellogg-Zaher Park, 7901 W Washington Blvd, Las Vegas, NV 89028. The park is located in northwest Las Vegas and the cross streets are W Washington Blvd and No. Buffalo Drive.

Audience: More than 275,000 people participate nationally each year, including children, young adults and adults who have Down syndrome, family members, friends, politicians, health care professionals, business leaders, corporate teams and other community members. More than 1,200+ people are expected to participate in the local DSOSN Buddy Walk this year.

Where does the Money Go: Funds raised at the Buddy Walk will go towards the following local programs and services offered to individuals and their families affected by Down syndrome. Also a small portion of net proceeds are sent to the National Down Syndrome Society to support their National Policy Center of advocacy and research.

- Speech Therapy
- Music and Yoga Therapies
- Physical Therapy
- Spirit Horse Therapy
- Life Skill Seminars and Support Groups
- Lending Resource Library
- Members Socials: these take place around all major holidays
- Adult Social Club

IT'S TIME TO SET-UP YOUR 2011 FIRSTGIVING FUNDRAISING PAGE AND START RAISING \$\$\$\$ TODAY!

Once again, the Down Syndrome Organization of Southern Nevada has chosen Firstgiving.com to enable Buddy Walk teammates and walkers to raise funds online. We encourage everyone to sign up for their very own fundraising page. And it's FREE!

How does it work?

- ◆ First you sign up for your very own fundraising page online. Firstgiving pages are free for fundraisers and can be set up in a few minutes. You can personalize your Firstgiving page with pictures and special messages as you would like.
- ◆ Then email your page to all your family, friends and colleagues throughout the country. Donors then make a contribution in your name using their Mastercard or Visa credit card. All online donations are secure and protected. Donors can leave a comment on the page for you. The donations are then sent directly to us – the Down Syndrome Organization of Southern Nevada. They keep track of everything and send reports to us.
- ◆ Your Firstgiving fundraising totals are included in your other fundraising collection totals.
- ◆ Also, check out the new blog feature at Firstgiving this year.

In addition to your regular donation collection efforts, this is a great way to increase your fundraising. The DSOSN has set a minimum goal of raising \$25,000 online this year. We know that sounds like a stretch – but with everyone's help we can do it. And it's only July. We have a little under 3 months to go for the Buddy Walk. So it can be done! And the first fundraiser to raise \$5,000 online will receive a very special prize!!!!!!

It's easy, it's fun and it works!

So get started today. You can sign up by:

- 1) going to www.firstgiving.com/dsosl or by
- 2) going to the DSOSN website at www.dsosl.org and then clicking on the message on the screen below.

To Create your own Buddy Walk Fundraising Web Site [CLICK HERE](#) Just Giving dot Com.

AND ANOTHER WAY TO INCREASE YOUR FUNDRAISING \$\$\$\$\$\$

Ask businesses that you frequent to offer our Buddy Walk Paper Danglers in their establishments for a donation from their customers/clients. We will provide you with the danglers - FREE of charge. And all money collected from your dangler campaign will be credited to your fundraising total. Call the DSOSN office for your danglers today at 702-648-1990.

CAN'T COME TO THE WALK

**Don't worry – You can
Still Participate by**

**Making a Donation or Better
Yet by Forming a Virtual Team**

If you can't attend the Buddy Walk and participate as an individual walker or on a team, you can still be part of our efforts to promote acceptance and inclusion of people with Down syndrome and help us raise funds for research, education, advocacy and local programs and services for Down syndrome individuals and their families.

How Can I Still Help?

You can make a donation to the Down Syndrome Organization of Southern Nevada. Or you can take it a step further and be a VIRTUAL walker or form a VIRTUAL team. You receive all the materials for a successful campaign just as if you participating in the Buddy Walk on walk day. You fundraise just like any other walker or team. The only difference is that you won't be at the walk. But you will be there in spirit and we will acknowledge you as a walker or as team from the podium on walk day. And you will also be eligible for all the walker incentives. In addition, if your funds are turned in by walk day, you will be eligible for fundraising special awards as well. And don't forget as a VIRTUAL walker you can still sign up at Firstgiving.com and create your own fundraising website to help you in raising funds. And don't forget to spread the word around to others you know who might want to help but can't participate.

THANK YOU AND GOOD LUCK !

Fundraising Tips

- Get Your Company Involved!**
 A district manager of a national retail chain encouraged her company to participate. The employees of each store challenged one another to form at least one team per store and raise money for Down syndrome. They had fun, raised money and increased morale all once! Another way to have your company raise money is to have one (or more) “dress down days” with the money collected going towards the Buddy Walk. See below for more information.
- Get Your Child's School Involved!**
 (Start by reminding the school that October is National Down Syndrome Awareness Month.) A teacher at a private school instituted a “dress down day” for the entire student body & faculty. For a \$5 donation, a student or teacher could dress in jeans or other casual clothes for a day, instead of the uniform. If students already have a casual dress policy, let them wear a hat, shorts or other attire that is normally not allowed (If the principal won't agree to involve the whole school, how about a “special project” for just your child's class?)
- Get Your Religious Organization Involved!**
 Ask to put a poster on the bulletin board. See if an announcement can be made during a service. Leave a donation envelope in the coffee room or in the lobby.
- A High School Student in Milwaukee, WI Thought of This Idea:**
 He wanted to support his coach who was raising money for another cause. He got all his buddies to donate the money they would have used to rent a tuxedo for the prom to support their coach's cause. Although the Buddy Walk is past prom season, this idea can be tweaked to support the Buddy Walk.
- How about Suggesting a Letter Writing Assignment?**
 Students can compete to see who receives a donation from the longest distance away. Ask them to write letters to people who live out of state or out of the country. The student who brings in a check from the farthest away point wins.
- Contact Your Child's Girl/Boy Scout Troop.**
 Scouts could be eligible to earn a variety of badges by participating in a Buddy Walk.
- Other Ways To Raise Money for the Buddy Walk:**
 Car washes, a dog wash, garage sales, bake sales, Dress Down For Down Syndrome, “Dimes for Down Syndrome Day” at work or at your child's school. Encourage walkers to get pledges from family, friends, colleagues, doctors, dentists, dry cleaners, hairdressers, and places where they are frequent patrons.

How To Raise \$500 In One Week

Day Details	Total
1 Sponsor yourself for \$25	\$25
2 Ask three family members for \$25	\$100
3 Ask five friends to donate \$15	\$175
4 Ask five co-workers to sponsor you for \$10 (ask about a matching gifts program!)	\$225
5 E-mail 15 people & ask for a \$10 donation	\$375
6 Ask your company for a \$75 contribution (ask about a matching gifts program!)	\$450
7 Ask two businesses you frequent for \$25	\$500

Start a Letter Writing Campaign

Writing letters to your friends and family is a wonderful - and easy way to raise money for your local Buddy Walk. By sending out letters (or e-mails) to the people you know, you are able to quickly spread the word of your involvement in the Buddy Walk and ask individuals to either walk with you or to sponsor you. [Click here for sample letters](#) that you can download and edit for your own letter writing campaign. We would like to thank the Kansas City Buddy Walk for donating most of these templates.

More Fundraising Ideas

- Try to get small prizes to give away as pledge awards. For example, if you raise \$50 you will earn a baseball hat, if you raise \$100 you will earn a tote bag, etc.
- On your tee shirt, write the names of everyone who has given you a pledge on the shirt or write their names on a piece of fabric and sew it on the shirt.
- Sell raffle tickets and hold a drawing (or drawings) for items that were donated by local organizations.
- Make and sell Buddy Walk ribbons (in the blue and yellow Buddy Walk colors) and sell them for \$.50 or \$1.00 to increase awareness of your Buddy Walk and to raise a little extra money at the same time.

Tips for Team Building

1. Start with people that are closest to you: family members, friends, neighbors, business associates and others in the community (your hairdresser, doctor, etc.)
2. Contact potential teammates in person or by phone, if possible: e-mail and send letters if you can't reach an individual directly. Explain to them why the Buddy Walk is important to you, why you are involved and why you would like them to be involved.
3. Encourage your teammates to spread the word and invite others to join your team or to start one of their own.
4. When you have finished putting your team together, hold a team meeting to get everyone involved and excited. See how successful they have been collecting pledges (if this is a fundraising walk) and use the information provided to give them advice and encouragement.

Tips for Healthy Walker Competition

1. Encourage walkers to raise at least \$250 each.
2. Use the incentive prize hierarchy to encourage walkers to raise money.
3. Make some of your own personal team incentives (2 movie passes, etc.) for the highest fundraiser.
4. Have a team name! It shows unity and interest – and is fun, too. Be a part of Troy's Boys and Girls, Brain's Buddies or Sarah's Super Walkers. Have your team members suggest a team name and vote on your favorite.
5. Incorporate pictures of your "Buddy" to help raise interest in your team. Make buttons of team members, add a picture to letter and thank you notes and make a poster for the day of your walk. (The DSOSN has a button machine for you to use – call us at 648-1990.)
6. We (the DSOSN) can also help with bulk mailings – 200 or more pieces. Call for details

The DSOSN is there to help you every step of the way. Call us at 702-648-1990 with any and all questions. We are here for you and can customize your campaign any way you would like.

GOOD LUCK TO EVERYONE! Our 2010 Buddy Walk Fundraising Goal is \$75,000! With your help and the help of your teammates, we will surely reach our goal. THANK-YOU!

ABOUT BUDDY WALK

The Buddy Walk[®] was established in 1995 by the National Down Syndrome Society to celebrate Down Syndrome Awareness Month in October and to promote acceptance and inclusion of people with Down syndrome. Today, the Buddy Walk[®] program is supported nationally by NDSS and organized at the local level by parent support groups, schools and other organizations and individuals.

Over the past fourteen years, the Buddy Walk[®] program has grown from 17 walks to more than 280 expected in 2009 across the country and around the world. Last year alone, 250,000 people participated in a Buddy Walk[®]! They raised \$10.5 million to benefit national education, research and advocacy initiatives, as well as local programs. These funds enable NDSS and local groups to offer services that support and enhance the quality of life for individuals with Down syndrome and their families.

The Buddy Walk[®] is a one-mile walk in which anyone can participate without special training. It is a wonderful, heart-warming event that celebrates the many abilities and accomplishments of people with Down syndrome. Whether you have Down Syndrome, know someone who does, or just want to show your support, come and join a Buddy Walk[®] in your local community!

1. **Do I need to know someone with Down syndrome to participate in a Buddy Walk?**

Not at all. The goal of the Buddy Walk is to promote understanding and acceptance of people with Down syndrome. Whether you have Down syndrome, know someone who does or just want to show your support, come and join the Buddy Walk.

[Return to Top](#) ▲

2. **How can I find out if there is a Walk in my community?**

To find out if there is a Walk in your community, you can enter your zip code in the Find A Walk box located at the top of the BuddyWalk.org website or you can click on the "Find A Walk" link on the left column. Either way, you will find the closest walk to you. If you do not see a walk in your area, you can e-mail the Buddy Walk Coordinator at buddywalk@ndss.org to find out if a local support group has organized one in the past.

[Return to Top](#) ▲

3. **Not everyone in my family is able to walk a mile. Are they still able to participate?**

Absolutely. Buddy Walks are open to participants of all ages and abilities. Each walk location has places where you can sit down, relax, and watch the excitement. If you can't walk, you can be a member of the cheering section and cheer on the walkers as they Buddy Walk by.

5. **There isn't a Walk in my area. How do I go about starting a Walk?**

NDSS has all the tools to help you plan a successful event, from a planning time line to posters and incentives. Buddy Walks range in size from 20 people to more than 2,000 -- so whatever your time and resources, you can plan a successful Walk! NDSS has developed a user-friendly Buddy Walk Manual that provides valuable information about the Buddy Walk program and how to create the best walk you can.

If this is your first Buddy Walk, please download and read the 2005 Buddy Walk Fact Sheet to give you more information on the Buddy Walk program and starting a Walk. Once you have read that, you can register your walk on-line by clicking on one of the "Organize a Walk" links. Your walk will be registered in no time and you can begin to use the on-line resources.

Down Syndrome Facts

- Down syndrome occurs when an individual has three, rather than two, copies of the 21st chromosome. This additional genetic material alters the course of development and causes the characteristics associated with Down syndrome.
- Down syndrome is the most commonly occurring chromosomal abnormality. One in every 800 to 1,000 babies is born with Down syndrome.
- There are more than 350,000 people living with Down syndrome in the United States.
- Down syndrome affects people of all ages, races and economic levels.
- The incidence of births of children with Down syndrome increases with the age of the mother. But due to higher fertility rates in younger women, 80 percent of children with Down syndrome are born to women under 35 years of age.
- People with Down syndrome have an increased risk for certain medical conditions such as congenital heart defects, respiratory and hearing problems, Alzheimer's disease, childhood leukemia, and thyroid conditions. Many of these conditions are now treatable, so most people with Down syndrome lead healthy lives.
- Life expectancy for people with Down syndrome has increased dramatically in recent decades - from 25 in 1983 to 56 today.
- All people with Down syndrome experience cognitive delays, but the effect is usually mild to moderate and is not indicative of the many strengths and talents that each individual possesses.
- Quality educational programs, a stimulating home environment, good health care, and positive support from family, friends and the community enable people with Down syndrome to develop their full potential and lead fulfilling lives.
- People with Down syndrome attend school, find work, participate in decisions that affect them, and contribute to society.
- Researchers are making great strides in identifying the genes on Chromosome 21 that cause the characteristics of Down syndrome. Many feel strongly that it will be possible to improve, correct or prevent many of the problems associated with Down syndrome in the future
