The Essentials of Workers' Compensation Impairment Evaluation in Illinois

This new seminar, co-sponsored by ISMS and SafeWorks Illinois, offers the unique opportunity to develop a better understanding of the multiple components used in assessing and evaluating disability for workers' compensation cases.

You'll learn the nuts and bolts contained in the new AMA Guides to the Evaluation of Permanent Impairment – Sixth Edition and gain valuable insights provided by expert presenters – all in an efficient half-day workshop coming to locations across the state. Breakfast is provided; continuing medical education (CME) credits available. CCM, CLE & CEU credits are being applied for as well.
