

Basket of Life Farm

Thank you for your interest in our 2011 CSA!

In 2011 we are running 3 seasons:

Spring Season — April 24th — thru June 10th (8 weeks) *sold out*

Main Season — June 19th thru October 16th (18 weeks) \$560

Fall Season — Oct 30th, Nov 13th, and Nov 27th (3 weeks) \$120

Members may choose to join for any season without obligation for the others.

Half shares are available for main and fall seasons. In main season half members pickup every other week and pay \$300. In the Fall season members pickup all three weeks and pay \$75 for a partial share.

Members may choose either Sunday (4-6) or Wednesday (6-8) pickups and will need to come to the farm that time each week to get their produce.

Produce will be given based on what is available that week with shares averaging between 5 and 15 (or more) pounds depending on the time of the season. Shares will vary from week to week, but we try to include a root crop, lettuce, hearty greens, and onion of some kind each week. Then we add other items including items such as tomatoes, peppers, winter & summer squash, eggplant, kohlrabi, radishes, garlic, leeks, broccoli, celery, and potatoes.

Please email us if you would like to be offered a space when we begin offering them in January.

In the mean time email us with any questions heather@basketoflifefarm.com
