60% of students with disabilities report being bullied regularly.  
Pacer 's National Bullying Center

Bullying is not just a SCHOOL problem or a STUDENT problem.

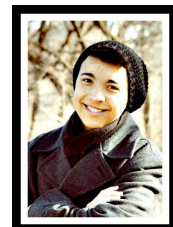

Bullying is an ADULT problem, a NEIGHBORHOOD problem,  
a CHURCH problem, and a COMMUNITY problem...

***Bullying is EVERYBODY'S problem!***

It's easy to say you're against bullying  
Now it's time to "WALK the TALK"

Sheryl Moore will be our guest speaker, and she and her family will lead the walk. This past summer, Sheryl's 16 year old son, AJ, tragically took his own life. AJ, was born with a cleft palate and had many surgeries over the years to repair it. AJ was kind, talented, and outgoing. He had a disability, he was bi-racial, he was gay, and he was bullied.
