

# Davidson-Arabia Mountain Nature Preserve

## 2013 Summer Hikes & Programs

### Interpretive and Recreational Hiking with Ranger Robby

#### Every Friday and Sunday - 8:00 a.m.

Explore the Preserve's trails to learn about natural, cultural, and historical resources. Hikes are moderate for 2-3 hours. Please bring your own water. Specific programs are listed below:

**Habitat Hikes** - Explore the diversity of the Preserve's habitats as we trek through forest, outcrops, fields, and wetlands.

- Friday, July 26
- Friday, August 23

**Summer Tree Walks** - Learn about Arabia's rich biodiversity and tree species on an interpretive hike. We'll note identification characteristics and learn why trees are so important.

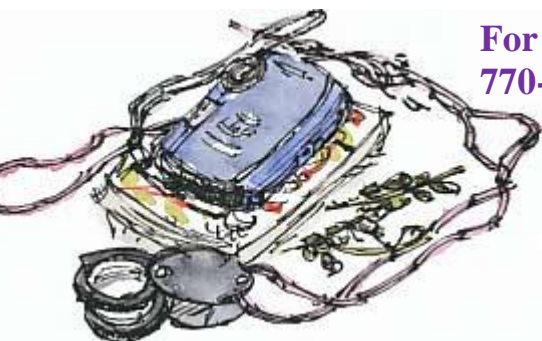

- Friday, August 9
- Friday, September 20

**Muscadine Madness** - Hike forested trails in search of Muscadine, the grape of the south. We'll learn more about this plant while we gather and enjoy the sweet taste of the grape. Bring water and a picking basket.

- Friday, August 16
- Sunday, August 18

**Ranger Rendezvous**—Meet up with Park Ranger Robby Astrove out on the trail for a more rugged and adventurous experience of the Preserve. Our 4-5 mile hike will be moderate-difficult. Registration is required to receive trailhead directions and rendezvous location. Please register with [rlastrove@dekalbcountyga.gov](mailto:rlastrove@dekalbcountyga.gov)

- Friday, September 13

For more information, call the Nature Center at 770-492-5220 or [arabiamountain@dekalbcountyga.gov](mailto:arabiamountain@dekalbcountyga.gov)
