Foundations for Ministry Leadership

Foundations of Ministry Leadership explores the theology, principles, and practices of effective leadership in Christian ministry. Participants will explore current leadership concepts and approaches, as well as Christian perspectives on leadership. Participants will also learn how to empower individuals and teams of leaders for ministry with youth. The course combines theory presentation with experiential learning as participants explore (a) leadership theory and an assessment of styles for effective leadership; (b) theological and pastoral foundations for understanding leadership and empowerment; and (c) processes and tools for creating leadership positions then inviting, preparing, and nurturing adult and youth leaders in ministry.
