The Nursing Community presents:

“Implementation of the ACA: What Nurses Need to Know”

September 12, 2013 from 2:00 – 3:00PM ET

A Webinar Featuring:

Mandy Cohen, MD, MPH, Senior Advisor to the Administrator, Centers for Medicare & Medicaid Services

&

Ellen-Marie Whelan, PhD, RN, Senior Advisor, Innovation Center, Centers for Medicare & Medicaid Services

As the nation works to implement the Affordable Care Act (ACA), the current healthcare delivery system will undergo many complex changes. This webinar will address the transitions currently taking place and the provisions set to take effect in the near future. **Dr. Cohen** will address the expansion of insurance coverage with the launch of the new Health Insurance Marketplace on Oct 1st and will take questions on these timely topics. **Dr. Whelan** will be discussing the impact of the ACA on nursing practice and will offer some guidance for nurses as to how best to prepare for the transition. Members of the organizations belonging to the Nursing Community are highly encouraged to register. Ms. Cohen and Dr. Whelan’s presentation will be followed by a question and answer period.

To register, visit: <http://community.aacn.nche.edu/registration/register.cfm?reg=695&evt=GA0912>.

About the Nursing Community

The Nursing Community consists of 59 national nursing organizations committed to improving the health and health care of our nation by collaborating to support registered nurses.

Collectively the Nursing Community represents nearly one million registered nurses, advanced practice registered nurses, nurse executives, nursing students, and nursing faculty. For more information, visit: <http://www.thenursingcommunity.org/>.
