## THINGS TO DO WHILE IN SHREVEPORT

### 2011 RED RIVER REVEL

The Red River Revel Arts Festival, the largest outdoor arts festival in North Louisiana, attracts 180,000+ people to the Shreveport riverfront from October 1-8, 2011. The Revel will, once again, populate Festival Plaza with over 140 visual artists from throughout the country displaying their fine art in ceramics, watercolors, oils & acrylics and metals to name a few. The Children's Area will delight young and old with art projects, face painting, and so much more. Music or dance more your style? Check out all the exciting performing artists on one of our three outdoor stages and be sure to continue to check back with us to see the great national headliners we have in store for you. In years past, George Clinton and Parliament Funkadelic, Keith Urban, and The Band Perry have amazed our great Revel crowds. Lastly, don't forget all of the scrumptious food provided by many of our great local non-profit organizations.

## WOMAN'S FOUNDATION, INC.

WOMAN'S  
foundation inc.

The Woman's Foundation, Inc., is a not-for-profit organization, dedicated to promoting the total well-being of women and their families.

The Foundation provides continuing medical educational offerings for Louisiana physicians in the area of diseases and medical conditions affecting women and their families. Based on community and statewide needs, the Foundation strives to secure exceptionally competent professionals, respected in their fields, to present the most up-to-date information to practicing physicians who seek to acquire advanced skills and knowledge in the field of medicine and increase their professional performance, thereby, improving patient care.

## WOMAN'S HOSPITAL

The concept of Woman's Hospital originated in the mid-1950s when Drs. Julius H Mullins, Sr, Jack Jones and Cary Dougherty, along with 18 other physicians, dreamed of a facility that would be dedicated to the needs of women and newborn babies.

These founders of Woman's Hospital thought the healthcare needs of women were unique and deserved the special attention they would receive in a separate women's hospital. In 1968, Woman's Hospital opened its doors, becoming one of the first women's specialty hospitals in the nation.

Today, the 328-bed, private, nonprofit institution is one of the largest women's specialty hospitals in the United States and is recognized throughout the country for its innovative programs for women and their families. All proceeds from the operation of the hospital are reinvested in new equipment, community service programs, and expansion.
