

Metropolitan Chess, Inc. Website Upgrades

www.metrochessla.com

Phase 3 Development (In Progress)

Media Page

- Integration of published back-articles related to Metropolitan Chess, Inc.

About Us

- Addition of a detailed look into the people involved with Metropolitan Chess, Inc.

Schedule

- Ability for a specified URL to target a specific tournament result for ease of reporting and ease of access.

Players

- To be renamed to International
- Addition of 2012 Year Page and Information
- Addition of results viewing on Players page from related tournament

Store

- Already complete but under beta testing
 - As the store has been created from scratch including APIs to allow for additional flexibility and functionality over template stores, we are undergoing rigorous testing for the next month to two before opening use to the public.

Camp

- Addition of 2012 Year Page and Information

Publishing

- Information of DVDs and Books being released under Metropolitan Chess Publishing imprint
- Information on retailers carrying our products
- Slider and HTML5 functionality

Mobile App

- Web integration with our cross-platform applications

- Information about Mobile Apps published by Metropolitan Chess, Inc.

Gallery

- Video and Photo gallery being added with slider functionality for ease of use during events

Live Games

- Live PGN viewer being integrated
- Past Games section being added with integrated PGN viewer

Phase 4 Development (To be completed before August 2012)

Members Only Login Portion

- To be disclosed later

Multi-Language Functionality

- Regional language use is being incorporated
 - Pages will automatically open to specific regional predominant language
