## A letter from the **BOARD PRESIDENT**

The year 2010, became an 18 month period because we transitioned our fiscal year from January through December to July through June to more closely match the school year. The economy had still not rebounded, so we tightened our belts and ran an even leaner organization so we could continue to provide our services to the students of Central Iowa.

Our Executive Director, Tyler Weig, spent the year working tirelessly to improve our communication, outreach, and fundraising processes by developing more user friendly and robust software systems and increasing volunteer and board participation. Summer Evans brought new energy and excitement to our outreach process so we could reach more people. Our volunteers helped us start a Facebook page and improve our website so we could communicate more effectively with our mentors and volunteers. Our fundraising committee, lead by Drew Gentsch and Kate Winzenburg, developed an extensive donor and funding database to help us streamline our efforts. All in all, our Executive Director, board and volunteers did what most lowans did, we got tough and worked hard because we had a job to do and students needed us.

The end of our year was bittersweet, as we had to say goodbye to some very supportive and productive board members. Mary Ann Nielsen served as both Vice President and President and provided great leadership for her 7 years with us. Amy Elbert served as Secretary and Outreach Chair, was our most consistent advocate and fundraiser and also found time to serve as a mentor. Our Executive Director, Tyler Weig, decided to pursue other avenues in his life. We thank him for tireless efforts in his 2 years with us, as he vastly improved the size of our volunteer base and increased awareness of our programs. We found a great replacement in Amanda Fletcher, who comes to us with much non-profit experience and lots of enthusiasm for our mission. I feel really good about our leadership transition as I pass the baton to Lee Konfrst, who assumed the role pretty seamlessly amidst all of the changes.

It has been another great year of mentoring for me, as I was able to read with multiple students this year. I continue to wonder who is the volunteer, as I am certain I get as much joy (if not more) from the weekly encounter as the students do. I really appreciate all of the efforts of our staff and volunteers and the support of the board to make this a successful and simple program. Also, a very large "Thank You" to everyone that supported us through another economically challenging year. The future is brighter because of each of you! •

Sincerely,

Joel Doyle,  
Board President  
Everybody Wins! Iowa
