Featured Infinitec Stops This Week

What Is Executive Function?

“Executive function is a set of mental processes that helps connect past experience with present action. People use it to perform activities such as planning, organizing, strategizing, paying attention to and remembering details, and managing time and space.” (www.ncld.org) In this 5 minute video from www.ncld.org, Dr. Horowitz defines executive function and how it relates to children with learning disabilities.

The web-map on Infinitec to these free resources is: INFINITEC home page (www.myinfinitec.org)
→ click on top toolbar tab labeled Resources → click Organization/Study Skills on the left menu → click on the drop down Podcasts → click on the title What Is Executive Function?.

Video Classroom Listing

A complete listing of the Infinitec videos available for viewing is now available (updated March 19).

The web-map on Infinitec to these free resources is: INFINITEC home page (www.myinfinitec.org)
→ click on top toolbar tab labeled Downloads → click Shared materials on the secondary menu → click on page 12 Video Classroom Listing rev 3 19 pdf.

Share the News:

Tell your district colleagues about MyInfinitec. This resource is too good to not share it!!

Webinars

Webinars from Infinitec are free to members. They are found on the bottom right side of the home page. Click on the webinar(s) of your choice to register. All you need is a phone line and a computer with internet access. The phone call is free.

On the home page of Infinitec on the left side of the page, you will find Webinar FAQs to answer all your questions regarding participation in a webinar. You will also find a very helpful Login Guide to Webinars on the home page. (Some webinars have been archived on the site.)
