

Spreading the Culture of Life and Chastity
GENERATION LIFE

Greetings,

We are pleased to inform you that **Generation Life** will be visiting our Diocese for three weeks this March, 2013.

Generation Life is a movement of young people committed to building a Culture of Life by educating their peers on the pro-life and chastity messages and developing new leaders for the pro-life movement.

School-wide or grade-wide assemblies enable **Generation Life** to reach many students in one-shot. The messages are delivered compassionately yet truthfully. Topics can include: theology of the body, pro-life issues, or chastity. Please see the

Colleges!

Gen Life offers Pro-life and Chastity talks as well as tabling time for college students!

Generation Life will be in the diocese from March 4th through March 22nd. You can register your school for an assembly or classroom presentation on the above topics with the [Respect Life Office](#). We encourage you to register a date or dates with the office as time is limited. The Generation Life visit will also be during the week of the Respect Life Youth Contest Awards Night on March 14th.

Please take advantage of this valuable presentation the
Generation Life team can offer to the students in your school.

If you need to coordinate a date with another school or Parish Youth group, please let us know at your earliest convenience and send us your request as soon as possible. The fee for each presentation is \$250. Should there be difficulty with payment we can offer assistance.

Thank you very much,
With Peace,

HIGH SCHOOL SERIES

Generation Life provides interesting presentations that are highly effective in conveying the counter-cultural message of chastity to young people. Students have sincere questions about their sexuality but many times are looking for answers in all the wrong places (MTV, magazines, sitcoms, misinformed peers). In a single gender environment, we have found that students have opened up and asked questions, providing us the opportunity to satisfy their curiosities with the truth. Presentations can be completed in one 45-minute class period.

Date: the weeks of March 4-8, 11-15 and 18-22

Time: Morning, Afternoons or evenings
