

# Ameya Pawar

Alderman of the 47th Ward ★★

invites you to attend the:

## 100 DAY Rundown

and the kick-off of:

# GROW47

The 47<sup>th</sup> Ward Public School Initiative

GROW47 Chairs: Dan Hynes & Paul Rosenfeld

Where:

3819 N. Ashland Ave  
773-868-6900

September 9, 2011 – 7:00 p.m. to 9:00 p.m.

Thank you for your support during our first 100 days in office.

At this event Ald. Pawar is going to provide updates on: projects, our accomplishments, public policy and legislative matters and discuss some of the challenges we have faced since taking office. We are also rolling out a public education initiative called GROW47. Too many families are moving from the ward to the suburbs for a complete K-12 school system. GROW47 will partner: parents, homeowners, renters, business owners and property owners to improve our schools. My office will then work to direct 47<sup>th</sup> Ward TIF money back into these schools. When schools win, we all win.

**We are all in this together!**

To kick-start the partnership between businesses and our schools, Centro-Chicago has generously agreed to donate 15% of sales from the cash-bar to Lake View High School. Ald. Pawar will also personally match the proceeds with a \$1000 donation for the 2012 school year.
