Alzheimer's – It's a Family Affair: Hereditary Factors and Family Dynamics in Caregiving

**An educational seminar for family caregivers featuring
medical experts from the ActivCare Medical Advisory Board.**

Memory loss resulting from Alzheimer's disease and related dementias have a profound impact on the family. Join us for a morning session with Alzheimer's disease experts and learn how to empower and protect yourself and your loved one.

When: Wednesday, June 6, 2012
8:30 am to 12:30 pm
Continental Breakfast: 8:30 am

Where: Monteville Community Center
Rolling Hill Ranch
840 Duncan Ranch Road
Chula Vista, CA 91914
**See directions on reverse side*

Topic: The Alzheimer's diagnosis can lead to concerns about heredity and caregiving decisions may present issues among family members. In this seminar, learn the role that heredity plays in risk factors, gain strategies for creating a successful family caregiving team, and review ways to avoid legal conflicts in the future.
