

It's getting to be That Time Again .....

## Talent show season is here!!!

The Talent Show Committee is already hard at work planning the 2012 Talent Show and we'd like to share some information with all of our talented students at Holland Hill

\* Because in past years the show has gotten so big and has ran so long, again this year the students in grades K - 3 will be allowed to be in just ONE act. Students in grades 4 & 5 can still be in two acts. This will help keep the show from running too long.

\*Some tips for a successful, stress free act:

Don't choose something too difficult for your child - we want this to be fun!

\*If using the piano accompanist, be sure to choose a piece that will sound good with only a piano and not a full band. Show tunes work very well and our accompanist is familiar with so many of them-thats half the battle.

\*Remember, no lip-synching - don't have your children prepare an act that include lip-synching only to have them be disappointed at previews when they are told they can't sing along to a recorded piece.

\*Group acts are great and help alleviate some of the back stage jitters!

Previews will be Tuesday, January 24 if you DO NOT need piano and Friday January 27th if you WILL need the piano. (please be patient because preview days tend to run a bit long but regular rehearsal each week are not as long)

The show is scheduled for Saturday, April 28th time TBA. It will be a night show! Dress rehearsal will be Friday, April 27th time TBA. Please keep in mind; only one act per song so, before you start rehearsing, you should check with the committee to be sure someone else isn't already using that piece.

First come First served!!!!!!!!!!

Please see our second announcement after the holiday break in the HOWL, about accepting your ideas for acts.

Talent show committee:

Leah Adintori, Laura Roberts, & Paula Landesberg.
