Brooks Brothers

Since then, Brooks Brothers has become an institution that has shaped the American style of dress through fashion innovation, fine quality, personal service and exceptional value in our products.
- Brooks Brothers introduced the first ready-to-wear suits in America in 1845
- Abraham Lincoln wore a hand-made Brooks Brothers coat at his second inauguration (and onto Ford Theatre that night)
- In 1904, Brooks Brothers brought the Shetland Sweater to America and quickly became an American classic
- In the 20's and 30's, Brooks Brothers introduced Madras from India and Seersucker to the American market
