

SWCD Annual Conference Recruitment Incentive

Dear SWCDs:

The IASWCD is excited to present the 2012 Conference of Indiana SWCDs. This year we are pleased to be able to offer an award of **\$750 to the TOP TWO (2) Districts** that recruit new or past returning Supervisors, Associate Supervisors, or Staff to Annual Conference.

Criteria:

Any Supervisor, Associate Supervisor or Staff person is permitted to apply for the award. However, the \$750 grant will be gifted to the District, not an individual. The TOP TWO recruiting applicants will receive the award for their District.

Eligibility:

Eligible Conference registrants include Supervisors, Associate Supervisors, or Staff who:

- Have never been to Conference before; or
- Have not been to Conference since 2008 (have missed it three or more years in a row).
- The registrant must be a **Full Conference** registrant for the 2012 Annual Conference.

The applicant/district representative must list each person recruited as a Full Conference registrant (form on next page). IASWCD will verify with each person recruited that the applicant did indeed recruit them for Conference. If this information cannot be verified, then the name will not be counted towards the total number recruited for that applicant. ***The recruitment forms must be received by IASWCD by January 4, 2012.*** Please email your forms to Liz Rice at elizabeth-rice@iaswcd.org.

Funds to the Top Two recruiting applicants will be dispersed in the first week of February.
