

STEEL IS REAL MILWAUKEE

Saturday, September 7, 2013

The 5th Annual Steel Is Real Milwaukee will roll Saturday, September 7. We'll celebrate the style, elegance and strength of steel-frame bicycles on a 25-mile tour visiting taverns and seeing unique parts of the city. We'll start at 10 am (register beginning at 8:30) at Cafe Hollander, a bike-friendly restaurant with great food and Belgian beer at 2608 N. Downer Avenue. The Best Steel Bike contest will be judged at 9:30 for 9 categories and a Best In Show chosen. New this year will be awards for the Best Dressed man and woman. The Tatoo Contest (real & fake, men & women) will be on-route.

Disclaimer: This vintage poster tells me all I need to know. I won't bike naked unless I have wings on my pedals. And, I'll sign this worthless document holding you, Phil Van Valkenberg, faultless for any accident or injury that may befall me riding a steel-frame bike or burns inflicted by the Amazing Healing Power of Beer lighter/bottle opener when detecting carbon fibre bike frames.
