Stretching Our Hand to the Jersey Shore!

As we all know NY and NJ have been adversely affected by Hurricane Sandy. And we, like many of you have been looking for a way to help impact the recovery effort. Well, we have made a solid connection down on the Jersey Shore and we are now taking a group of both youth and adults to help with tree, debris, and trash removal.

We will be driving down to the Jersey Shore on Friday, November 30th, doing a day of Service on Saturday, December 1st, and driving home on Sunday, December 2nd. This is a Great service project that can be used for School, Religious, and Scout service hours. Not to mention the Great feeling of helping out those affected by Hurricane Sandy.

Obviously, many people will not be able to make the trek to New Jersey with us, although you can still greatly impact this trip by donating money and in kind supplies. Any donation is Greatly appreciated!

- These people have seen devastating destruction in a matter of only a few hours.
- Remember what this really means: Having all the amenities of life before the storm to having nothing after it passed through!
- Many people in NY and NJ are still without power or heat. No refrigeration! No Water (let alone the hot water you took a shower with this morning)! No Food! No Housing!
- Many have completely lost their homes and love ones!
- To make this a Success, we need the help of Anyone and Everyone who can help!

We will be looking for monetary donations, as well as, items from the following list:

Chainsaws	Wood splitters
Mauls	Loppers
Dust Masks	Splitting Axes
Shovels and Rakes	Commercial Trash bags
Cases of Water	Household Cleaning Supplies
School Supplies, Markers, and Pens	Work Goggles
Construction/Cleaning Supplies	Work Gloves
N-95 Respirator Masks	Brooms/Mops
Scrub Brushes/Sponges	Duct Tape/Masking Tape
Heavy Duty Garbage Bags	Spray Bottles
Bleach	Tarps
Flashlights	Granola Bars and Snack Packs
Batteries (All Sizes)	Borax
Hand Sanitizers/Wipes	Mold Spray
Hard Warmers	Towels/Rags

Most people would like to help the people affected by Hurricane Sandy in some way, though not everyone knows exactly how to express that help.

Please keep us in mind and feel free to contact Jamisean Patterson at (617) 491-6437 or Jamisean@aol.com if you would like more information or would like to donate to this worthwhile cause! 100% of all donations will be put toward this effort.

All Donations Can be mailed or dropped off at: Boston Minuteman Council Office, 411 Unquity Road, Milton, MA 02186. Please make checks payable to: Boston Minuteman Council (memo: Hurricane Relief) Thank You in advance for your consideration and contributions.
