

Invitation

Official Northern New Mexico Broadband Network Launch and Ribbon Cutting Event

US Senator Tom Udall, Keynote Speaker

August 16, 2013
Friday 1:30PM-3:30PM

Rio Arriba County Annex
1122 N. Industrial Park Road
Española, NM
Light Refreshments Provided

Please come celebrate the official launch of REDI Net --a critical regional community broadband initiative that is a high-speed, open access broadband network built in Northern New Mexico. The network will serve over 120 community institutions and thousands of end users, through partnerships with last-mile providers.

Remarks from Senator Udall, Representative Ben Ray Lujan (D-NM), Senator Martin Heinrich's office, and project partners will begin at 1:30PM at the Rio Arriba County Annex in Española. The Public is welcome to attend.

Direct Project Partners include, in alphabetical order, the City of Española, Los Alamos County, the North Central New Mexico Economic Development District, Ohkay Owingeh, Pojoaque Pueblo, Rio Arriba County, Santa Clara Pueblo, Santa Fe County and Tesuque Pueblo. REDI Net is funded by \$10.6 million from the American Recovery and Reinvestment Act.

A pre-event demonstration of network performance will be held in Tesuque Pueblo (Intergeneration Center) at 10:00AM
