Dr. W. Ames Curtright

Dr. W. Ames Curtright -- Your Host! Ames Eagles (Welcome Speech)

From the beginning of our country Ames's have been there. Our first foundations have always been God. The author of the First Amendment Fisher Ames said, "Man is inherently corrupt." We need God. Our leaders swear their oath to God. Our enemies wish to remove God, from our pledge, our schools, our military, our government and substitute evils, Communism, Socialism. At Eagles we acknowledge God. This verse I believe says it all to me!

Isa. 46:8-10, "Remember this, fix it in mind, take it to heart, you rebels. Remember the former things, those of long ago; I am God, and there is no other; I am God, and there is none like me. I make known the end from the beginning from ancient times, what is still to come. I say: My purpose will stand, and I will do all that I please."
