24 Hour Appointment Cancellation Policy

Illuminations Well-Being Center adheres to its
24-hour appointment cancellation / rescheduling policy.

If you miss your appointment, cancel or change your appointment with less than 24 hours notice, you will be charged the full amount of the single session and advanced payment will be required for future bookings.

Should you miss a session as part of a therapy package, it will be counted as a completed session. However, you may reschedule a session, without penalty, if 24 hour notice is provided.

This policy is in place out of respect for our therapists and our clients.

Cancellations with less than 24 hours notice are difficult to fill. By giving last minute notice or no notice at all, you prevent someone else from being able to be treated with that time slot.

Thank you for your understanding and cooperation.

Appointment Terms & Conditions:

* Kindly inform us 24 hours in advance for rescheduling or cancellations. * Cancellations that occur after 24 hours from the start time of the appointment are subject to an amount equal to the full session chargeable upon next appointment. * Appointments are non-transferable and non-refundable. * Payment can be made via Cash/Cheque/Credit Card/Pay pal/Bank Transfer
Offer cannot be used in conjunction with any other offer or discount. * Therapy packages are valid for a period of three (3) months from the original date of purchase.

* The expiry date of the therapy package can only be extended with written permission from the therapist.

- o If a client arrives late to a scheduled appointment the therapist has no obligation to extend the length of the session
 - o If a client is more than 15 minutes late, the scheduled appointment is subject to be cancelled/rescheduled.
 - o Please refrain from alcohol, heavy medication and intoxicating substances 24 hours before and after the private consultation
 - o Clients will not be attended to unless consent form is signed, which guarantees 100% confidentiality.
 - o If the client books and confirms two or more sessions, they are required to pay in advance.
- Reason: If a client blocks many appointments in the schedule and cancels last minute, we have to work to fill up the schedule with other clients. The therapist will lose the opportunity to have attended to another client.
