ABOUT US

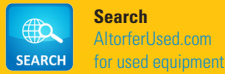

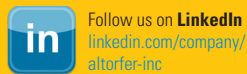

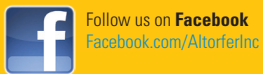

Whether you need a compact electric lift truck for your narrow aisles, a big boy 110,000 lb. lift for your quarry operation, or anything in between, you can count on Altorfer Lift Trucks. We sell, rent and support the full lines of Cat®, Mitsubishi, Taylor, and Jungheinrich Lift Trucks.

Our professional, capable staff can help you choose the best truck for your needs, and we provide comprehensive support for our lines as well as almost every other make of lift truck on the market.

The Altorfer Lift Trucks team is committed to helping you stay productive, offering our unique 'Parts Fast/Parts Free' program, 24/7/365 emergency parts and service response, computerized preventive maintenance tracking with a human touch, and our own remanufactured engine division. We even offer total maintenance contracts that cut your maintenance costs and allow you to concentrate on your business. Contact your sales or product support representative for more information on these services.
