(See below for our wonderful job opportunities)

COMMUNITY LIVING SPECIALIST

In addition to providing care and support to the people living in the home, our employees assist them to participate in activities in their home & in the community. Responsibilities may include assisting with personal care, preparing and/or assisting with meals, light housekeeping, attending doctor's appointments....and will always include having fun!

We have **full-time** opportunities in our Residential Department and our Support Services Department to work as a Community Living Specialist (CLS).

~~Daytime~~Evenings~~Overnights~~Weekends~~

Great experience, competitive pay, and excellent benefits!

In our residential program, each CLS is assigned to the caseload for one Program Director. They receive specific training for each home on that caseload (this will generally be 4 to 8 homes). Caseloads are grouped by geographic region – for example, one caseload is based in the Glen Burnie area, while another is based in the Severna Park area.

We also work with each CLS around their availability – the location in which they work may vary, but we can provide consistent hours. Scheduling is based upon the needs of our programs; however, we provide each CLS with their schedule at least one week in advance so that they may plan accordingly.

Every CLS has the opportunity to attend our Mentoring Program to help prepare them for their position so that they have the knowledge and skills needed to be successful.

Earn \$12.55 to \$13.55 per hour plus a cell phone stipend. Benefits include free medical insurance, optional dental & vision insurances, company-paid STD/LTD and life//AD& insurances, flexible spending plans (medical & dependent care), paid sick & vacation leave, paid mileage, tuition reimbursement, a free gym membership to the Big Vanilla Health Club, and more!
