

Yes, there IS help for your homeowners association!

The Greater Houston Chapter of the Community Associations Institute (CAI) has launched the free HOA Hotline, which is a resource for homeowners owning homes/units in condominium, townhome and subdivision community associations and have questions about the operations of their association.

The Hotline is staffed with local non-attorney experts knowledgeable in community association best practices. Homeowners can contact the Hotline by calling 832/251-1874, or via email at hoahotline@caihouston.org

We urge homeowners to take advantage of this free resource.

After all, isn't it better to resolve issues quickly and reasonably now before they get out of hand later?
