Discover the Clark County HeArts!

Heart Disease - It's the number one killer of both men and women in the United States. The Beat Goes On....HeArts of Clark County will raise funds to focus heart health awareness and expand the state-of-art and life-saving Heart & Vascular Surgical Theater at PeaceHealth Southwest Medical Center.

30 Local Artists - Each artist has designed and created a HeArt to support this wonderful project. The HeArts are located outdoors in various locations for you to discover, and in doing so you will learn more about heart and vascular care thanks to the physician heart tips you'll find on each one. The HeArts will be on display from August 2 through September 16.

September 21 - Gala Night! *The Beat Goes On...HeArts of Clark County Gala* will be a red carpet evening of great food, entertainment and an auction of these spectacular HeArts. The HeArts are one-of-kind sculptures and can be displayed in your garden, home or business. Buy tickets or a table and join us at the Gala at the PeaceHealth Shared Services Center.
