

We have to take a minute to recognize and shout out to our friends from Kappa Delta for all their hard work! Over 135 girls from three chapters (University of Louisiana at Lafayette–Gamma Kappa Chapter, University of Louisiana at Monroe- Delta Zeta Chapter, and Louisiana Tech University – Alpha Chi Chapter) have really pitched in and been a tremendous help and an incredible team to work with. Kappa Delta's from around the state selflessly give of their time and efforts to host "anti-bullying" workshops for our girls each year. In addition to that, their assistance throughout the year is so generous it cannot be measured. Just over this past year we have had help from KD girls with the council's 100<sup>th</sup> Anniversary Celebration, Easter egg hunts for local Girl Scouts, Family Fun Day at Indian Creek and presenting the "CARE" event, Family Fun Day at Camp Bon Temps, preparation and implementation of B.I.G. (Believe In Girls) Girl Scout Mall Lock-In, and preparing and implementing the International Girls Day events.

Learn more about [collaborations between Kappa Deltas and GSLPG](#). These events (one from Lafayette, and one from Ruston) are posted on the national website for Kappa Delta. Also, learn about some [notable Kappa Deltas](#) including alumnae Ali Landry from Breaux Bridge, LA. There is still time to register for the upcoming [International Girls' Day](#) event in Ruston. You can pay at the door. Take the [confidence coalition pledge](#) to stop bullying and don't forget to thank those Kappa Delta girls when you see them.
