Discover the Magic in You!!!

11. **Free/Low Cost Shipping:** UPS ground shipping, arriving within 12 days (normally 5-7 days) is free on all party orders over \$150 shipped to consultants/hostesses. Only \$5 or 10% of total on other orders. This encourages larger orders, while not discouraging smaller repeat orders.

12. **No Cost/Low Cost Hostess Gifts:** The maximum cost for hostess gifts is only \$5.00. If your hostess (or you) use all the free and half price items from the party, the hostess gifts are FREE. (You buy the half-priced items and resell for extra profit.)

Grow Personally & Financially!

month out of three, not \$150 over 3 months.

20. **Flexible selling opportunities:** Not limited to selling at home parties. Sell "your way" including via internet advertizing, fairs and shows, home and basket parties; but, not in retail stores or E-bay. This preserves the hostess business model, ensures fairness among consultants, and prevents someone with more money dominating your market just by opening a retail store.
