

### INFORMATION

Ms. Frasco is the Global Market Manager for Carus Remediation Technologies. Ms. Frasco is responsible for overall strategic direction of the remediation team which includes: overseeing the remediation product lines, identifying and implementing acquisition/partnering opportunities of new products/technologies, expanding the global remediation business and overseeing research efforts. She joined Carus in 1997 and has over 13 years' experience in the environmental remediation field. During her career at Carus, Ms. Frasco spent seven years working as a chemist in the laboratory conducting research and treatability studies, and has held several positions within the sales and marketing group specifically focused on remediation.

Ms. Frasco has a BS degree in Environmental Biology from Eastern Illinois University and a MBA in Marketing from Lewis University.
