C CARRIÓN
FOR MAYOR
MAKE IT YOUR CITY

Dr. Lenora Fulani and Adolfo Carrión

Q: What do all the Democratic Party candidates for Mayor have in common?

A: They don't want you to know that Adolfo Carrión is the Independence Party candidate for Mayor and that he is on the ballot on November 5th no matter who wins the primary.

A MESSAGE FROM
DR. LENORA FULANI,

**Developmental Psychologist and
leading political independent:**

My friends, we all know what the important issues are in our city --- fighting poverty, fighting ignorance and making a better life for everyone. The challenge is how to bring those issues to life. The political machines won't do it, they're part of the problem.

**Join me in supporting my brother, Adolfo Carrión,
the Independence Party candidate for Mayor.
He's an independent. He's part of the solution.**

"Declare your Independence.
Join us on November 5th!"

- Adolfo Carrión, Jr.
