Thank you so much this is
such a kind effort. I haven't had dental
insurance in 15 years. & This is such a great
opportunity to get work done besides extractions only
and not getting ^{not} lost in paperwork.
Thank you so much

I think that what "MOM" has set up here is very good. The organization is very clean, efficient and the staff members are also very friendly. I only wish I could give something back in return to show my appreciation. Have a Happy Thanksgiving!

It is so wonderfull that you make this program available. Dentistry is difficult when you are on a limited income. I have waited over two years to replace a lost filling because I couldnt pay for the service. Not counting any other dental needs. Thank you so much!!! ☺
