## ST. ROSE OF LIMA CATHOLIC COMMUNITY

As we continue in our mission to make room for all at the table of the Lord, through loving service, St. Rose of Lima is offering members of our St. Rose family the opportunity to become a permanent part of our Legacy. Be a part of this vital time in our parish history by engraving a brick, which is the perfect way to commemorate a birthday, wedding, 8th grade St. Rose School graduation, or it can serve as a lasting memorial for a beloved friend or family member.

With your tax-deductible donation, a brick with your own personalized message will be installed on our St. Rose campus. Our 4"x8" bricks

will be	installed in one of	the two new outdoor p	pavilions with the 8"x	8" bricks	s to be located in the newly renovated R	lose Garden.
