RADICAL LOVE...

ZERISH MATTIS EASTON

Each year, we,
Cal, Marlon, Nadine, and Jacquie
honor our mom's life by asking friends and family to live as our mom lived...

We ask those we love to take a moment on
MARCH 26
(and in the days beyond)
to engage in
one radically loving, generous, and compassionate act of care for someone else.

Please take a moment to
feed someone who is hungry,
listen to someone who needs you,
volunteer your time, donate to a cause...

Please also consider a tax-deductible donation of school supplies or scholarship funds to the ***Zerish Mattis-Easton Scholarship Fund*** *administered through* ***JAMPACT***
www.jampact.org

Educating a child in Jamaica costs $10 U.S./mo. ($120/yr). The ZME Scholarship provides full academic scholarships to primary school children in poor communities in Jamaica.
