Project Service Fee: CC International provides comprehensive logistical support for your volunteer team so volunteers can focus on delivering direct service to the community. **All food, lodging, volunteer project management, insurance, tools, safety equipment, and project materials are provided.** (Volunteer teams must provide their own transportation to get to and from service project sites each day.) The project service fee is \$35.00 per person per day. One third of your project service fee is due 90 days prior to your project start date and reserves your space. (*This deadline is negotiable based on individual circumstances*) The balance is due 30 days before project start date.
