“And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone.”

-Gal 6:9-10a

2012 ARCC Graduation

ARM Uganda Headquarters

As 2013 begins, Irene, myself, and all of the ARM family would like to say a big thank you to all of you; our friends and partners in ministry. You have been a great blessing to us and you have been used of God to inspire, encourage & support God's work here in Uganda. We would like to take this opportunity to reflect and share with you all of the exciting things that happened in 2012 and look forward to even more exciting things that are to come in 2013.

International
Evangelism Conference

2012 LEADERSHIP CONFERENCES:

We have been blessed to host 3 major leadership conferences through ARM this year.

Steve Troxel Conference

God alone knows the impact that these three conferences have made in the lives of these 1,500+ servants of God and the church congregations they represent!

Sammy Tippit

Jay Mathis
Conference

1. **The Steve Troxel Conference** hosted 400+ pastors and their wives
2. **The Sammy Tippit Conference** brought together 700+ leaders from East & Central Africa
3. And our **Annual Leaders Conference** at ARCC hosted 350+ of our very own fellowship pastors.

Annual Leaders Conference

Self-Sustainability at Bethany Village

We have been blessed to see Bethany Children's Village getting closer to our dream of producing it's own food. We now have 2 green houses, a very productive piggery, an expanded poultry plan, a goat production farm and an amazing irrigation system.

Africa Renewal Christian College

Our Bible College (ARCC) has continued to amaze us this year. I had the privilege of meeting our alumni students from

Rwanda. It was inspiring to sit in a meeting with our Director, Jeff Atherstone, in Kigali, Rwanda, and hear testimonies of how their time at ARCC has shaped them for their current ministry. ARCC is currently training ministers from 6 surrounding nations.

This year, we also received the good news that we are becoming a full fledged University and will start offering Bachelor's Degrees in 2013!

Wentz Medical Ctr & Renewal Health

This year, God blessed us with Dr. Jay and his family from Oklahoma who served with us for 6 months. Their team traveled the country serving in districts that Doctors rarely have the opportunity to reach. We served over 6,000 people, sharing Jesus with them as part of their healing treatment. The ministry was able to refer and support 3 children who were in desperate need of

heart surgeries. We were blessed to see 2 of them completely healed.

Unfortunately, the 3rd child passed away.

Child Dev't. Program

Our Child Development Program (CDP) has continued to inspire us with more than 7,000 children in the program being shaped to become the next generation of Uganda's Christian leaders. As you all know, the economy in the western world has affected us like all other ministries. We are praying for approximately 1,500 additional sponsors so that we can meet the needs of all of the children in our programs.

Our CDP Programs are run through our sister churches located in 17 districts in Uganda, and helping children from all 4 regions of Uganda!

We praise God
for all the
great things
He has done!

Next Generation Leadership Program

This year, I was greatly blessed to travel to a village called Kalagi where we were hosting a short term mission team from Canada. The team had a medical outreach there. The most exciting part of my day was to see our NGLP medical student, Rogers, busy serving the people. Rogers is a 4th year medical student with a passion to be a doctor who uses his skills to share Jesus' love & bring healing to the hurting. This program currently has 54 students studying a variety of disciplines from social work, theology, education, law, pharmacy, agriculture & medicine. These young men & women are the reason why we do what we do. We know they hold Africa's future in their hands!

Loving Hearts Babies Home

Loving Hearts Babies Home (LHBH) has continued to be one of the inspiring ministries we have here.

It is for the Glory of God and His name alone that we do what we do at ARM

This year through Loving Hearts Babies Home, we have had:

- **16 babies adopted &**
- **17 babies reunited with their relatives**

We currently have 15 babies living in the home, awaiting either adoption or to be reunited with their families.

It was so exciting to visit with several adoptive families while I was in the USA this year. The Lord provided us with a beautiful piece of land this year, where we will be able to build a permanent home for our Babies Home!

Please pray that the Lord will continue to provide the funding we need for this building project.

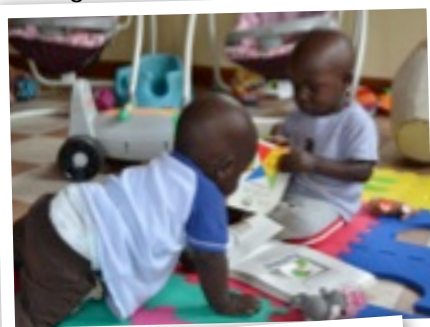

Gaba Community Church

Gaba Church has continued to thrive and fulfill our mission of reaching our community and nation with the Gospel this year. In 2012 we have sent out ministers to plant 5 new churches! God is so good!!

Gaba church continues to have a parental role amongst our sister churches and it has been exciting for me to visit several of our sister churches this year. Our fellowship of churches is now 284 churches strong!

2012 Church Partnerships:
Namutamba Church Construction

Friends, the stories and testimonies from 2012 are many! We share them with you because without you, many of these testimonies would not have been possible. You have prayed for us, and many of you have financially supported ARM and its ministries. More than 200 of you have taken the journey to come and serve with

2012 Junior Youth Camp

abundantly my friends!

Our pastors & their teams around the country have been great servants and as I always say, they are my heroes. They work so hard with so little yet with so much determination and commitment.

Thank you all!

us here in Uganda through both long and short term missions projects.

We are also so very proud of our staff at the head office, those at Bethany Village, the teachers in our schools, the medical staff in our clinics, the staff at ARCC, and our social workers in the field. These men and women are our champions. God bless you

Missions & Work
Projects

2013 will bring many great things! Mwangaza, our Children's Choir is traveling through the USA January to June to serve the Lord among some of your churches.

In September a second Mwangaza Choir will travel to Holland and Germany to minister there.

We also anticipate the enrollment of Bachelor's students at ARCC and the addition of 1,500 sponsors to help serve the children who are on our CDP sponsor waiting list.

We are praying that our God will bless you and your family as you serve him and partner with us. We pray for a very blessed 2013.

In Christ,
*Pastor Peter, Maama Irene
& the entire ARM Family*
